

# Chairman's Welcome

Welcome to John McGrath Auto Group Black Opal Stakes Race Day. Today we celebrate the 50th Anniversary of Canberra's greatest race – the Black Opal Stakes.

The Group 3 John McGrath Auto Group Black Opal Stakes and the Listed Seears Workwear National Sprint are today's feature races and are joined by a fantastic support card.

On behalf of the Club I would like to extend my gratitude to all today's sponsors, John McGrath Auto Group, Seears Workwear, Underground Spirits, Daikin, AirConditioning Canberra, PolyTrack, McDonalds, PFD Food Services, Seppelt, LandHQ and TAB.

We have plenty of entertainment on-course today with McDonalds Fashions on the Field competitions on the trackside lawns. We encourage you to consider our Official After-Party Venue – The RUC when looking for a spot to continue on at.

Don't forget there is a free \$2,500 bet to be won on the John McGrath Auto Group Black Opal Stakes. You'll find all the instructions on how to enter this fantastic competition in your race book.

Today's race meeting also features the 75th running of our Members Tipping Competition. It's free to play and available only to members of the Club. To win, you 'simply' need to pick the last six winners on the card through the Club's website. Of course, picking six winners isn't easy but we've had a number of near misses with members correctly selecting 5 out of 6 in previous weeks! The prize pool has jackpotted to \$75,000. If it is not won today an additional \$1,000 will be added to the pool per meeting until it reaches a total prize pool of \$100,000. Full terms and conditions are available on the website. The competition closes at the start of Race 4.

We hope you have a great day.

On hearing the instructions; patrons are requested to remain calm and prepare to follow further instructions from the Emergency Wardens. **Emergency Wardens will be easily identifiable as they will be wearing coloured helmets.**

Mobility impaired patrons, including hearing and sight impaired, should make contact with an Emergency Warden as they may need a "buddy" to assist them. On hearing the evacuation instruction, the Wardens will usher you to the safe assembly areas, so it is essential that you follow their instructions. Unless you are instructed otherwise, the safe assembly areas are as shown below.

## 'Canberra racing – humble beginnings'

Canberra's thoroughbred racing industry stems from considerably humble beginnings. In 1921 the local branch of the Returned Soldiers' Association thought a race meeting might be an interesting way to raise funds. The first problem? No racecourse!

There was however plenty of land and the Association appointed three of its members to investigate. They laboured in vain to find an appropriate site until one of them – Mr P F Douglas, who had fortuitously come on the mission mounted, suggested he should ride around some land at Acton and provided he and his horse safely negotiated a course of about six furlongs work might begin on developing a suitable track.

It took him about six minutes but horse and rider prevailed. The Association put its volunteer members to work cutting down trees, digging out stumps and filling rabbit burrows and the fundraiser took place, in 1922, under what is now Lake Burley Griffin.

The 'saucer-like' track, measuring a mere six furlongs and 66 feet, continued to host thoroughbred racing for the growing district. The first Canberra Cup was run at Acton on 12 Feb 1926 - one of five races with total prizemoney of 150 pounds. The Cup itself was run over 6 furlongs for a purse of 60 pounds.

The interior of the saucer was used to grow crops, which may have provided welcome income for the course operators, but on occasion raised the ire of racegoers whose view of the races was obstructed by a crop that had grown perhaps too well and too high. The racecourse also shared its location at Old Acton with a golf course, a hospital, and farms until the land was resumed for the construction of the lake in the 1960s.

By then the Gungahlin Racing and Trotting Club and the ACT Jockey Club had pooled resources to rebuild the track after WWII in the knowledge that it was a temporary venture.

The Jockey Club had the foresight to begin work on a new course at Lyneham in plenty of time before the old course was submerged. Work began in early 1961. The course had a circumference of 1764m with a 400m straight. The first meeting was held on 3 November 1962.

From that date the place of what is now Thoroughbred Park in Canberra's social, sporting and economic life has grown to the vibrant event centre that comes to life on occasions like Black Opal Day.

### RACE ANALYSIS

Stablemates FAIRNESS IS BEST and VONK both sat behind the speed and finished off well last time. It was the debut for FAIRNESS IS BEST and looked promising so he goes on top. IMPENDING HARMONY is from a strong local stable and looks like 1200m might suit her.

### RACE ANALYSIS

LOUIE'S LEGACY ran away with a nice win last start which is 3 from his last 4. The claim and the good draw should allow him to be near the pace and mow them down late. BON FRANKIE was not far away at Rosehill and this suits. TWIG should find this a touch easier.
