CHAIRMAN'S MESSAGE

A Vote of Thanks.

We race today on the newly configured Kilcoy racetrack. Racing in Queensland is built around horses racing over the 1200m distance. This is the distance most sought for the majority of horses of all ages and abilities in Queensland. Kilcoy has traditionally struggled to be included in the major tracks in SE Qld due to its difficult 1200m start that did not afford all starters an equal chance. The addition of the new starting chute brings the Kilcoy track into the highest company. The Kilcoy Race Club had a vision, a vision that was enthusiastically adopted by Somerset Regional Council, who enabled the delivery of our dream, through both the acquisition of land and the heavy construction works and materials required for the new track. Racing Queensland also recognised the clear benefit of this major enhancement, and provided the growing medium, grass racing surface, and rails. The Kilcoy Race Club dedicates this first race meeting to the community spirit and willingness to progress that made this possible. Our sincerest thanks and deepest gratitude go to the Somerset Regional Council and Racing Queensland for making our dream a reality. The legacy from their willingness to pitch in will be enshrined in racing at Kilcoy for generations to come.

Con Searle, Chairman.
