# CHAIRMAN'S MESSAGE

Today is a special race day for the Club, the seventh edition of the Catanach's Jewellers MRC Foundation Race Day and a day where the scope of our Foundation is well felt, particularly for our charity partners.

This year we are excited to partner with 13 charities. While their purposes may be varied, in this time, their considerable crises are similar. Charities are doing it tough in 2020. Fundraising events, which for many charities are the biggest opportunities to raise funds, have mostly been cancelled.

We are thrilled that we are able to continue this race day and honour our partners, albeit with a new approach.

2,000 raffle tickets have been sold (selling out in fact) with profits going to the charities, \$25 from each Super Box sold (also sold out) is being donated to charities nominated by the buyer. This is a fantastic result and well above what we could have hoped for our partners. Thank you to all who have contributed already.

If you would still like to support, you can donate to the MRC Foundation via [mrc.racing.com/mrc-foundation/donate](http://mrc.racing.com/mrc-foundation/donate) and all donations made until Monday will be evenly distributed amongst the charities.

Another exciting element of the day is always the running of the G3 Catanach's Jewellers MRC Foundation Cup (Naturalism Stakes). The field for this race is truly exciting, with the winner gaining ballot exemption into the 2020 Stella Artois Caulfield Cup. It is doubly exciting for our charity partners who are each randomly allocated a horse in the race and the promise of a monetary prize for 1st (\$20,000) 2nd (\$10,000) and 3rd (\$5,000) placegetters, generously donated by ANZ, Sportsbet, Beteasy and Catanach's Jewellers.

# CHAIRMAN'S MESSAGE

Last year, Down Syndrome Victoria received a \$20,000 bonus due to the winning deeds of Brimham Rocks, \$10,000 was awarded to Riding for the Disabled Association of Victoria Inc. and \$5,000 to Mirabel Foundation with its selected horses So You Win and Sikandarabad filling in the respective minor placings.

Please continue to reach out to your loved ones and to us here at the Club should you need. We love hearing from you and it is our connectedness that will get us through these tough times.

Best of luck to all of our charity partners this year and best of luck to you at home, may you pick a winner or two.

A handwritten signature in black ink that reads "Peter Le Grand".

# Safety Information

The Melbourne Racing Club is the only Racing Club in Australia with a certified Safety Management System. We recognise that Safety is an integral part of every activity we perform, and as such we will comply with all OHS legislation and industry standards.

## Emergency Response

In the unlikely event of a major emergency, our Emergency Management Plan will take effect immediately. Patrons in effected areas will be communicated immediately by either Public Address announcements, the big screen, TV screens, our wardens (MRC staff) or our EWIS siren.

## EMERGENCY WARNING AND INTERCOMMUNICATIONS SYSTEM (EWIS)

### Alert Alarm

Sound: 'Beep.... beep.... beep.'

- Cease all activity
- Secure all confidential and valuable items, if it is safe to do so
- Follow wardens instructions

### Evacuation Alarm

Sound: 'Whoop.... whoop.... whoop.'

- Leave venue via safest exit
- Proceed to assembly area as advised

Do not use lifts and please refrain from using mobile phones during an emergency. To make a report on a raceday please call:

### Incident Reporting and Customer Feedback

If you are involved in an incident or near miss or are aware of any hazards, please report them to us using an Incident and Hazard Report form which are available from the Raceday Office. Alternatively, any ideas, suggestions or concerns you have relating to safety can be e-mailed directly to our Safety Department on [risk@mrc.net.au](mailto:risk@mrc.net.au)

### Emergency Markers

In the event of an emergency, we have strategically placed "Emergency Markers" around the venue (Caulfield only). If you are reporting an emergency, please look for one of the green and white signs and quote the letters and numbers displayed. These signs have been mapped out by emergency services via GPS, and will ensure the quickest possible response.

### Responsible Service of Alcohol

In conjunction with VCGLR and Victoria Police, The Melbourne Racing Club staff and management are committed to Responsible Service of Alcohol (RSA) initiatives. All bar and restaurant service staff hold a current RSA certificate and will not serve intoxicated patrons. Patrons that are deemed quarrelsome or intoxicated will be escorted off the premises.

### First Aid

We have first aid facilities at all of our venues. If you are injured or unwell, please ask our staff for directions to this service.

### Sun Exposure

Please remember that a day at the Races may involve significant time under the sun. Time in the sun can cause skin cancer through exposure to UV and heat illnesses. Clouds will not protect you from UV exposure. In order to prevent harmful effects of the sun we suggest that you consider broad brimmed hats, sun screen, long sleeved clothing and sun glasses, utilizing shade and indoor viewing areas and keep hydrated by drinking plenty of water. Alcohol and soft drinks will not provide adequate re-hydration.

# How To Bet

The TAB offers over 30 different betting products to suit every type of punter. At the track you call out your bets to an operator at the counter, rather than filling in a betting card. Tell the TAB operator:

1. The location and race number of your bet
2. The bet type you would like
3. The horse number/s you would like to bet on
4. The amount you wish to spend

### FORM SUMMARY

*ALBARADO wasn't suited back in distance last start but the son of Savabeel is out of a quality staying mare and he should relish the mile. CUMBERBATCH was a hard luck story at The Valley, he had plenty more to offer. CELESTIAL SOL was the eye catcher that race.*

### FORM SUMMARY

**UNANIMOUS** looks value second-up. His only run on a good track was luckless at Listed level. **VALAQUENTA** has been gelded since spelling and he looked sharp in a recent trial. **MUNTASEERA** brings strong form lines from the autumn but he may be giving them a big head start.

Down Syndrome  
Victoria

People with Down syndrome want the same things as everyone else in the community – the best start in life, a good education, meaningful employment, somewhere to live and active participation in the life of the community around them.

Down Syndrome Victoria (DSV) is the state-wide peak organisation representing people with Down syndrome and their families. We are a membership based, not-for-profit organisation established in 1978 to provide support, information and resources to people with Down syndrome, their families and the broader community.

Your support is greatly appreciated.

**JIM MOLONEY**

Hall of fame trainer Jim Moloney was the patriarch of one of the biggest and most successful families in Australian racing. Calling Caulfield home since the mid-1990's after moving from Epsom Training Centre, Jim prepared arguably Australia's greatest ever sprinter, Vain, and also saddled Affinity to Caulfield Cup glory in 1984 among a string of Group 1 triumphs throughout his career. Today the Moloney name remains synonymous with both Caulfield and Victorian racing, with Jim's sons Gerard and John continuing to train at Caulfield and grandson Patrick a successful senior jockey.
