How To Bet

The TAB offers over 30 different betting products to suit every type of punter. At the track you call out your bets to an operator at the counter, rather than filling in a betting card. Tell the TAB operator:

1. The location and race number of your bet
2. The bet type you would like
3. The horse number/s you would like to bet on
4. The amount you wish to spend

Check your ticket

When you place a bet with the TAB you will receive a betting ticket which lists the details of your bet. This ticket is proof of purchase and required to redeem any winnings. Please check the details on the ticket.

BET TYPES

Win

Simply pick the runner that you think will finish 1st in the race.

Place

Pick a runner to finish 1st, 2nd or 3rd and collect a place dividend (a 3rd place dividend is only paid in races with eight or more runners).

Each Way

Combines a Win/Place bet. If your selection wins you collect the Win and Place dividend or if your runner finishes 2nd or 3rd you collect the Place dividend only.

Quinella

You are required to correctly select the two runners that finish 1st and 2nd in any order.

Exacta

You are required to correctly select the two runners that finish 1st and 2nd in exact order.

Duet

You are required to correctly select two of the three placegetters in any order. Only available on races with 8 or more runners.

Trifecta

You are required to correctly select the three runners that finish 1st, 2nd and 3rd in exact order or alternatively box your selections to finish in any order. Available in Flexi betting.

First 4

You are required to correctly select the four runners that finish 1st, 2nd, 3rd and 4th in exact order or alternatively box your selections to finish in any order. Available in Flexi betting.

Daily Double

You are required to correctly select the winners of two nominated races at the same race meeting.

Running Double

You are required to correctly select the winners of two consecutive races at the same race meeting.

Early Quaddie

You are required to pick the winner from four races nominated at the one meeting, normally the four races before the main quaddie. Available in Flexi betting.

Quaddie

You are required to pick the winner from four races nominated at the one meeting. Available in Flexi betting.

BIG6

The BIG6 requires you to pick the winners of 6 races nominated by the TAB. The races that make up a BIG6 may be at the same race meeting or at different race meetings. If you pick all 6 winners, you win the major dividend, and there is a supplementary dividend for picking five out of six winners. BIG6 is also available as a mystery bet – simply ask for a \$10, \$20 or \$50 Fred bet. Available in Flexi betting.

Mystery Bet

The easiest way to have a bet. Mystery bets are available on the next race to run and on the feature of the day. Mystery bets are computer generated selections and are available in:

- \$1 Single Trifecta
- \$2 Quinella
- \$3 Box Trifecta (50% dividend)
- \$3 3Up – Win, Exacta and Trifecta in the one bet

Flexi Betting

Flexi betting allows you to take a Trifecta, First 4, Quaddie or BIG6 at an outlay you choose.
