Admired for horsemanship, a successful career in the saddle, and a passion for the horse, it was a natural progression for Clayton Douglas.

The aim is not to be the biggest stable, but the best.

Terrific on-course facilities at the Mornington Racecourse, access to local riding trails and the beach, Clayton Douglas Racing has every tool available to keep horses fit, happy and healthy - everything racehorses need to perform at their best.

A young, dedicated team of staff are always keen to look for new ways to improve the stables for the horses and the owner experience.

****TECHFORM UNAVAILABLE THIS RACE****

“Through honesty and availability, we will strive for excellence for our owners, horses and ourselves.”

The aim of Redgum Racing is to train as many winners as possible. Using traditional values, like honesty and availability, our owners will be kept up to date with the most accurate information regarding their thoroughbreds. We also employ current training techniques to ensure that the horses in our stable have the best opportunities to win.

We are striving for a transparency of operation that allows our owners the fullest experience of horse racing available.

LOGAN MCGILL RACING PLATE

1200m

Logan had a love for horses from very early age & he spent his childhood dreaming of some day becoming a Jockey. If the dream of being a jockey wasn't in his reach, then he was determined to be a Trainer or Bloodstock Agent.

Logan began his jockey apprenticeship with Mark Riley at the tender age of 15. He notched up over 200 winners during his short promising career in the saddle. Although his professional riding career ended, Logan decided to spend 12 months breaking in & pre training with Rowan Waymouth. From then on Logan spent time working with successful industry participants such as Tony Vasil, David Brideoake & Jim Conlon. In 2007 Logan began his the role as Mark Riley's assistant trainer & shortly after he began the process of gaining his own trainers license.

**JASON WARREN RACING HANDICAP****2000m**

Jason gained his extensive experience working with horses at the revered Eliza Park Stud where he broke in and pre-trained Eliza's young horses. He then set up and ran a highly successful business from Coral Park in Moorooduc where he had a small team of racehorses plus breakers and pre-trainers.

Jason then made the decision to leave behind his business at Coral Park and take up a position with Hall of Fame trainer Lee Freedman.

Armed with greater knowledge and renewed confidence, Jason branched out on his own in 2010 purchasing Denistoun Park, a world class private training facility. The winners have flowed and Jason now sits in the top 15 trainers in the State. He has produced a string of good horses headed by his star performer Bel Sprinter.

FORM SUMMARY

***BREASLEY** excels at his home track and if left alone out in front will be hard to run down. **SHE'S A KARAKA**, 3rd up, out to 2000m and the drop in class makes her a top chance. **WANJIRU** has shown some promise over a staying trip. **EPSOM DAYS** gets a nice run from a low draw.*

MORNINGTON SUMMER OF RACING

DECEMBER - JANUARY

Matt Laurie is currently one of Mornington's most successful trainers. He has a loyal band of long term owners, many of which have raced numerous horses with him over the past decade; a fact that we take great pride in.

New owners are of course always welcome so please contact us if you would like any information with regard to joining our stable.

Based in Moorooduc on the Mornington Peninsula, our property is a quiet and spacious facility where the horses are stabled overnight and generally turned out during the day in one of our many paddocks.
