## Race 1 - 12:20PM SCHWEPPE'S HANDICAP (1800 METRES)

**Notions**      **COT:** To be ridden with cover; settled off pace without cover. Rdr std he tried to comply with instructions to obtain cover, but due to slow tempo was unable & mnt remained racing wide & without cover, & was disappointed in its failure to respond in straight. Post-race vet exam no abs. Co-tr confirmed instructions as he believes mare performs best when ridden in this manner, & whilst there was an anticipated lack of speed, he did not want to lead as the mare tends to overrace in that position. Added although raced wide & without cover, he felt mare raced flat & may not have backed up. Newcastle 12/11/2022

**Secret Glamour**      Raced wide without cover throughout.      Ladbroke's Park Lakeside 16/11/2022

**Rosovo**      From a wide barrier was shifted behind runners in the early stages. Hawkesbury 17/11/2022

**Nautical Miss**      When qst, rdr std instructed to be midfield, expecting a strong pace. Std once mnt settled midfield on rail it raced fiercely, causing saddle to shift fwd near 1800m. Std near 1600m mnt hung out & caused saddle to shift more, & when it continued to race fiercely & had little control, he shifted to a three-wide position near 1400m allowing it to lead near 1100m. Std once in lead mnt continued to race fiercely & was unable to steady. Add whilst disadvantaged in testing mnt, it responded to riding & was satisfied in the finish, & suggested it would be better suited back in distance. Kembla Grange 19/11/2022

**Fuller**      From a wide barrier was shifted behind rns in the early stages. Briefly held up for clear running rounding the home turn. Gosford 19/11/2022

**Chilko Lake**      Rider reported mare did not feel entirely comfortable in its action after pulling up. A post-race vet exam revealed the mare to be lame (1/5) in the near fore leg. Trainer was advised that a veterinary certificate would be required prior to racing or barrier trialling. Canterbury Park 11/11/2022

**Kovalica Villaden**      Began awkwardly. Warwick Farm 23/11/2022  
**COT:** To be ridden more forward; settled off pace. When qst re performance, rdr std instructed to ride in prominent position, & after being ridden along in early stages mnt was able to obtain position behind leaders whereby it commenced to race keenly. Std mnt continued to race keenly for some distance & refused to settle, & as a result was unable to finish race off. Tnr advised instructions were to ride gelding positively due to expected lack of speed in race, however in respect to its racing manners he would likely have it ridden conservatively in future. A post-race vet exam revealed no abs. Rosehill Gardens 16/11/2022

## Race 2 - 12:55PM TAB HIGHWAY HANDICAP (1500 METRES)

**Free State**      Began awkwardly, shifted in and was bumped. Kembla Grange 19/11/2022  
**Zadig**      **COT:** To be ridden further forward; settled on pace. Kembla Grange 19/11/2022

# EMERGENCY PROCEDURES

The Australian Turf Club's aim is to provide the best facilities to ensure your safety, comfort and enjoyment. The Club has developed comprehensive procedures to deal with any unexpected emergency situation that may arise. Our staff are trained and experienced in dealing with emergencies and evacuations. They are dressed in ATC uniforms at various points throughout the racecourse. Assisting in an emergency will also be security staff and Police officers.

Should an emergency situation arise, the alarm system will be heard over two stages:

- (1) Fire Alarm Bell – (**RINGING SOUND**). This notifies the Fire Brigade;
- (2) Evacuation Alarm – (**WHOOP – WHOOP – WHOOP SOUND**). This notifies ALL occupants to leave via the nearest safety exit under the supervision of the Emergency Wardens and proceed to the emergency assembly point.

On hearing the alert alarm, patrons are requested to remain calm and prepare to follow instructions from the Emergency Wardens. Cloak room items will be secured for you to collect after the situation is over. Mobility impaired patrons, including hearing and sight impaired patrons, should make contact with an Emergency Warden as they may need a "buddy" to assist in the evacuation in the evacuation. On hearing the evacuation alarm, the Wardens will usher you to the Safe Assembly Area so it is essential that you follow their instructions. Unless you are instructed otherwise, the Safe Assembly Areas are (see opposite page for locations):

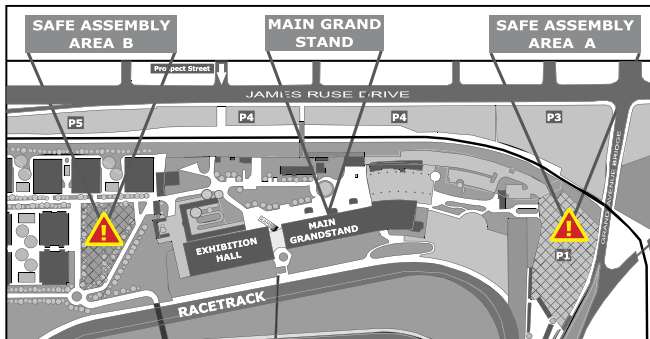

**EMERGENCY ASSEMBLY AREA A:**  
Members No 1 Car Park

**EMERGENCY ASSEMBLY AREA B:**  
Unwin Street Car Park

In the event of an emergency, please remember:

- (1) Listen carefully to the alarm tones;
- (2) Follow the directions of the Emergency Wardens;
- (3) Move quickly and quietly to the designated Safe Assembly Areas.

## FORM SUMMARY

**KAZALARK** comes back to this grade after just missing in G3 company with a powerful finish. The longer trip should set him up to grab them late. The danger is the stablemate **KOVALICA** who has a similar racing pattern and can step up now. **SECRET GLAMOUR** and **ROSOVO** next.

*AMATHUBA stuck to the task bravely despite a tough run in transit on return. Her second-up form is better than it reads on paper. RAINBOW CONNECTION looks set this prep to deliver on the promise he has always shown. STARBORETA keeps raising the bar.*

*CAMAGUEY has form at the distance and is rarely out of the finish. Back in grade and a soft draw should see him produce a strong showing. Lightly raced ESTADIO MESTALLA and CLOUDLAND remain unbeaten and will need luck from wide draws. Expect NEWLEY WED to fly home.*
