RAND 25/02/2023
Oxford Tycoon	Began awkwardly and from the outside barrier then was shifted behind runners in the early stages. RHIL 11/03/2023
Byron	Rdr suspended for failing to ride her mount out to the end of the race. RHIL 28/01/2023

EMERGENCY PROCEDURES

The Australian Turf Club's aim is to provide the best facilities to ensure your safety, comfort and enjoyment. The Club has developed comprehensive procedures to deal with any unexpected emergency situation that may arise. Our staff are trained and experienced in dealing with emergencies and evacuations. They are dressed in ATC uniforms at various points throughout the racecourse. Assisting in an emergency will also be security staff and Police officers.

Should an emergency situation arise, the alarm system will be heard over two stages:

- (1) Fire Alarm Bell – (**RINGING SOUND**). This notifies the Fire Brigade;
- (2) Evacuation Alarm – (**WHOOP – WHOOP – WHOOP SOUND**). This notifies ALL occupants to leave via the nearest safety exit under the supervision of the Emergency Wardens and proceed to the emergency assembly point.

On hearing the alert alarm, patrons are requested to remain calm and prepare to follow instructions from the Emergency Wardens. Cloak room items will be secured for you to collect after the situation is over. Mobility impaired patrons, including hearing and sight impaired patrons, should make contact with an Emergency Warden as they may need a "buddy" to assist in the evacuation in the evacuation. On hearing the evacuation alarm, the Wardens will usher you to the Safe Assembly Area so it is essential that you follow their instructions. Unless you are instructed otherwise, the Safe Assembly Areas are (see opposite page for locations):

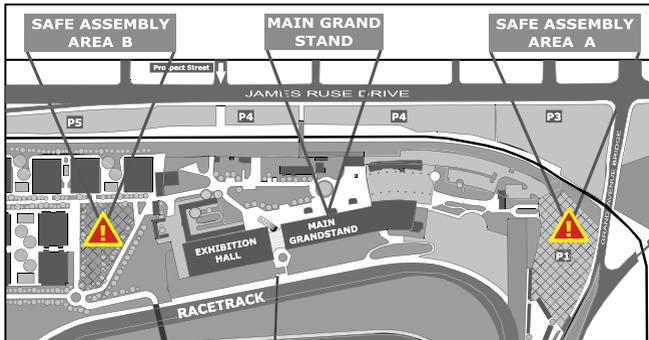

EMERGENCY ASSEMBLY AREA A:
Members No 1 Car Park

EMERGENCY ASSEMBLY AREA B:
Unwin Street Car Park

In the event of an emergency, please remember:

- (1) Listen carefully to the alarm tones;
- (2) Follow the directions of the Emergency Wardens;
- (3) Move quickly and quietly to the designated Safe Assembly Areas.

TRAINING AND PROMOTIONS

All staff have been informed about their obligations in relation to this policy on Responsible Service of Alcohol and have been adequately trained to support this policy. This Club seeks to publicise and promote its position on Responsible Serving Practices.

BOOKMAKER BETTING OBLIGATIONS BR13

- (1) At a race meeting within the metropolitan area, a bookmaker is obliged to lay the odds displayed if demanded by the backer, except that the bookmaker is not compelled to lose on any one bet more than the amount Racing NSW may determine and publish as the minimum bet list entitled "Betting limits for on-course Bookmakers to comply with BR13", as published on its website and amended from time to time.
- (2) When the backer claims the bookmaker for a win and place bet which is greater than the limits prescribed by this rule, the bookmaker must bet the backer the proportional equivalent of an each-way wager.
- (3) At a race meeting outside the metropolitan area or at an auditorium or betting office, the committee of a club may from time to time determine the minimum wager which bookmakers must be bound to lay when betting on any part of the club's premises.
- (4) Once a race has started, a bookmaker is not compelled to accept any bet or, alternatively, is not compelled to bet the minimum limits prescribed in this rule.

NOTICE TO PATRONS ARI60B

No person shall, without permission of the Stewards:

- (1) Transmit in any way from the grounds of a racecourse any betting odds being offered by bookmakers on any horse that is competing at a racecourse in Australia or elsewhere.
- (2) While betting is taking place on the grounds of a racecourse, have turned on or use in any way at any of the following places on the racecourse any portable telephone, radio transmitter, radio transceiver or any other appliance, apparatus, instrument or equipment that is capable of transmitting information:
 - (a) in the mounting enclosure
 - (b) in the scales area
 - (c) in any other area designated by the Stewards

Notwithstanding the provisions of this sub-rule an owner present in the mounting yard immediately after the running of a race is permitted to use a mobile phone.

- (3) Within the area of the jockey's room, bring into, have in their possession, or use any portable telephone, radio transmitter, radio transceiver or any other appliance, apparatus, instrument or equipment that is capable of transmitting information.

CHILDREN AT THE RACECOURSE

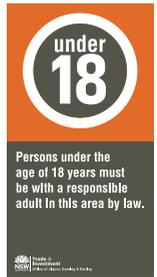

Children are welcome at all race meetings held at Royal Randwick, Rosehill Gardens, Canterbury Park and Warwick Farm. On many weekend race meetings there is free children's entertainment available. Children in the general admission area should be under the company of a responsible adult at all times. Children entering the Members' Enclosure must be in the company of a responsible adult at all times and must be suitably attired.

There are no restricted areas within the racecourse (except for 'Members' Only Areas') however patrons under the age of 18 years of age (minors) are not permitted entry to the racecourse unless accompanied by their Legal Guardian or Loco Parentis. (Responsible adult). This can be in the form of:

- A parent, step-parent or guardian of the minor
- A person who is, for time being, in loco parentis to the minor. This person must be 25 years of age or older and be able to verify to the satisfaction of the ATC their relationship to the minor

Definition of In Loco Parentis. The term "Loco Parentis" describes a relationship similar to that of a parent to a child; specifically it refers to an individual who assumes parental status and responsibilities for another individual, usually a young person, without formally adopting that person.

Any minor found in close proximity to or using alcohol or gaming outlets will be asked to leave the venue. The person identified as being responsible for the minor (as per the NSW Liquor Act 2007 in relation to Responsible Adults) will also be asked to leave the venue. Prosecution by the NSW Police is also an option.

FORM SUMMARY

MISS GHENT beat the older horses with ease on debut and the Dundee filly will only improve out to 1400m. THE YEARS will try to control proceedings here after being unsuited back in trip last start. AMUR did it tough in the G2 VRC Sire's, he maps much better this race.

FORM SUMMARY

PROWESS is a winning machine and the NZ form is holding up at the top level this Autumn. Hard to see any rivals turn the tables on PAVITRA who was a dynamic winner of the G3 KG Classic last start. If the rain comes, FIREBURN is right in contention.

HERITAGE HIGHLIGHTS

H. E. TANCRED STAKES

The H. E. Tancred Stakes was added to the STC autumn carnival program in 1963. The race was named in honour of the STC Chairman Henry Eugene Tancred, an original appointee to the STC Board in 1943.

Three generations of Cummings trainers have won the race, starting with Bart in 1971 with Natural Trump. He also won with Trissaro in 1983 and Beau Zam in 1988. In 2013, his son Anthony won with Fiveandahalfstar. Then grandson James won with Avilius (GB) in 2019. Most recently, Edward Cummings trained 2022 winner Duais to the win.

The win of Avilius, highlights a trend towards overseas winners as the length of the race attracts those with a flair for staying power. In 1968, Khalekan (GB) was the first overseas horse to win. Makyebs Diva (GB) added the Tancred to her Group success in 2005. Manighar (FR) won in 2012, Hartnell (GB) 2015, and Almandin (GER) 2018. As an eight-year-old, Almandin is also the oldest horse to win the race.

FORM SUMMARY

KATALIN weakened late when resuming at G2 level. Fitter for that run and with even luck in running, she has the turn of foot to finish over the top of them late. The trial of SUBSTANTIAL was ultra impressive. MAOTAI savaged the line when beating TAMERLANE last time out.
