Form Comment - description of the two most recent starts

• *First run at Flemington was remarkable, tracked into it strongly and blew them away. Dug deep in the Cox Plate G1 when challenged to fight off a gallant 'Humidor' and equal the great Kingston Town with 3 Cox Plate's.*

Race 3 NED AUSTRALIAN WHISKY HANDICAP 1500m

Cosmic Minerva	Rdr reported he had been instructed to ride his mnt in the first four, however it was slow to begin and rather than ride along in the early stages and potentially cover additional ground, he elected to obtain a position towards the rear of the field with cover, which was further back than he intended. RHIL 14/01/2023
Tympanist (NZ)	From the outside barrier was shifted behind runners in the early stages. RHIL 07/01/2023
Resonator	Jockey J McDonald reported that in his opinion the gelding was not suited by the firm racing surface. GCST07/01/2023
Regal Pom	Held up in the early stages of the home straight. RHIL 14/01/2023
Three Wise Men	From the outside barrier was shifted behind runners in the early stages. Rdr reported although obliged to race three wide throughout the event his mnt had cover at all stages. Added mnt came under pressure as far out as the 600m to maintain its position and then was disappointing in the manner it responded to his riding in the straight. A post-race vet exam revealed no abs. RAND 21/01/2023
Wineglass Bay (IRE)	Rdr was permitted to ride the gelding a half kilogram over its allocated weight. RHIL 07/01/2023

African Daisy	When tempo of the race slackened near the 1100m, improved up onto heels & was obliged to shift out into a three wide position. Obligated to race wide & without cover for remainder of the race & was inclined to hang out rounding home turn. Rdr reported instructed to ride mnt in a forward position, but it began very awkwardly & lost ground at the start which resulted in him becoming unbalanced in the saddle, & consequently mnt was a clear last after travelling a short distance & he felt to then endeavour to take up a prominent position would have been to the detriment of its chances. CANT01/01/2023
Cadetship	Rdr permitted to ride 1kg over allotted weight. Inclined to lay out when placed under pressure in the home straight and passing the 300m brushed with another mr. Thalassophile	COT: To be ridden further forward; settled worse than midfield. Near 250m was checked when attempting to improve into a narrow run. When qst re riding from 600m & whether there was an opportunity to trail another mr, rdr std he had considered trailing that mr, but was of the view he would be required to cover additional round, so elected to attempt to obtain runs to the inside. Std he was able to place mnt under pressure in early stages of home straight before having to check near 250m. Rdr agreed with Stwds better option would have been to trail mr to allow mnt unimpeded run to finish. RHIL 14/01/2023
Born With Wings (IRE)	Began awkwardly, shifted in and made contact with a mr. From the outside barrier was shifted behind runners in the early stages. RHIL 07/01/2023
Secret Glamour	When qst re performance, rdr std intention was to ride in a midfield position, however mnt stood flatfooted as start was effected & settled at rear. Std whilst mnt travelled satisfactorily through early & mid stages, it was most disappointing in its failure to respond to riding from 500m & raced flat. A post-race vet exam rev no abs. Co-trn advised the mare had done well leading into race expected it to perform well. Trn rep subsequently reported that the mare pulled up well & will barrier trial before participating at the Magic Millions Carnival. RAND 17/12/2022
First Light (GB)	When qst re the gelding leading, rdr confirmed his instructions were to ride his mnt in fourth or fifth position. Std mnt which was racing first up, began best and without being pressured assumed the lead due to the lack of early pace in the race. He said, therefore, he was content to allow mnt to lead and dictate with moderate early sectional. RAND 26/12/2022
Tip Of The Spear (IRE)	Began awkwardly and from its wide barrier was shifted behind runners in the early stages. EMERGENCY PROCEDURES

The Australian Turf Club's aim is to provide the best facilities to ensure your safety, comfort and enjoyment. The Club has developed comprehensive procedures to deal with any unexpected emergency situation that may arise. Our staff are trained and experienced in dealing with emergencies and evacuations. They are dressed in ATC uniforms at various points throughout the racecourse. Assisting in an emergency will also be security staff and Police officers.

Should an emergency situation arise, the alarm system will be heard over two stages:

- (1) Fire Alarm Bell – (**RINGING SOUND**). This notifies the Fire Brigade;
- (2) Evacuation Alarm – (**WHOOP – WHOOP – WHOOP SOUND**). This notifies ALL occupants to leave via the nearest safety exit under the supervision of the Emergency Wardens and proceed to the emergency assembly point.

On hearing the alert alarm, patrons are requested to remain calm and prepare to follow instructions from the Emergency Wardens. Cloak room items will be secured for you to collect after the situation is over. Mobility impaired patrons, including hearing and sight impaired patrons, should make contact with an Emergency Warden as they may need a "buddy" to assist in the evacuation in the evacuation. On hearing the evacuation alarm, the Wardens will usher you to the Safe Assembly Area so it is essential that you follow their instructions. Unless you are instructed otherwise, the Safe Assembly Areas are (see opposite page for locations):

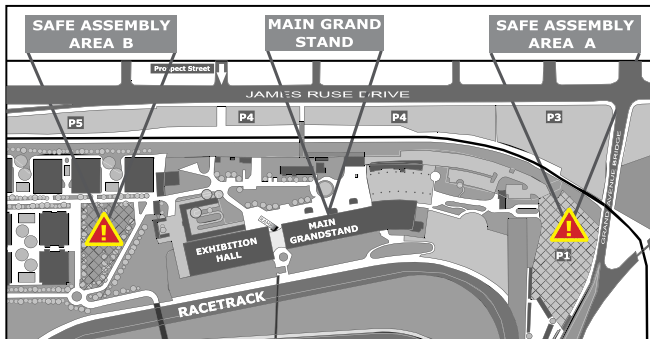

EMERGENCY ASSEMBLY AREA A:
Members No 1 Car Park

EMERGENCY ASSEMBLY AREA B:
Unwin Street Car Park

In the event of an emergency, please remember:

- (1) Listen carefully to the alarm tones;
- (2) Follow the directions of the Emergency Wardens;
- (3) Move quickly and quietly to the designated Safe Assembly Areas.

RESPONSIBLE SERVICE OF ALCOHOL

POLICY

The Australian Turf Club is committed to Responsible Service of Alcohol (RSA) across all our venues and endeavours to comply at all times with all the requirements of the NSW Liquor Act 2007. The Club is an active member of a number of Local Liquor Accords including the Eastern Beaches Liquor Accord and also the Rosehill and Liverpool Liquor Accords. The Australian Turf Club has adopted the following House Policy, which provides a framework for the Responsible Service of Alcohol.

ALCOHOL CONSUMPTION

Patrons who are intoxicated or approaching intoxication will be refused admission to our venues. Patrons who are observed drinking upon approach to one of our venues will be refused entry. Appropriate and compliant signage will be displayed at all entry points. Patrons on board "Party Buses", Limousines or Hire Cars with alcohol present will have their intoxication levels assessed by Security and risk refusal of entry to the venue. Any patron refused service by bar staff or identified by Security as approaching intoxication will be asked to leave the venue immediately as per Section 77 of the NSW Liquor Act 2007

UNDER AGE DRINKING

The Australian Turf Club recognises the following forms of identification:

- A driver's or rider's licence or permit (issued by an Australian State or Territory or any foreign country)
- Australian passport or a foreign passport issued by another country,
- NSW photo card (issued by Roads and Maritime Services NSW)
- Proof of age card issued by a public authority of the Commonwealth or of another State or Territory for the purpose of attesting to a person's identity and age
- Keypass (over-18) identity card issued by Australia Post.

Patrons who appear to be aged 25 years or under may be asked for identification at any time by Security, Police or an ATC staff member. If identification is unable to, or refused to be produced that patron will be asked to leave the venue. Any minor found in close proximity to or using alcohol or gaming outlets will be asked to leave the venue. The person identified as being responsible for the minor (as per the NSW Liquor Act 2007 in relation to Responsible Adults) will also be asked to leave the venue.

ANTI-SOCIAL BEHAVIOUR

Any patron found to be disrupting the quiet enjoyment of other patrons around them by means of their actions or behaviour will be asked to leave the venue.

TRAINING AND PROMOTIONS

All staff have been informed about their obligations in relation to this policy on Responsible Service of Alcohol and have been adequately trained to support this policy. This Club seeks to publicise and promote its position on Responsible Serving Practices.

BOOKMAKER BETTING OBLIGATIONS BR13

- (1) At a race meeting within the metropolitan area, a bookmaker is obliged to lay the odds displayed if demanded by the backer, except that the bookmaker is not compelled to lose on any one bet more than the amount Racing NSW may determine and publish as the minimum bet list entitled "Betting limits for on-course Bookmakers to comply with BR13", as published on its website and amended from time to time.
- (2) When the backer claims the bookmaker for a win and place bet which is greater than the limits prescribed by this rule, the bookmaker must bet the backer the proportional equivalent of an each-way wager.
- (3) At a race meeting outside the metropolitan area or at an auditorium or betting office, the committee of a club may from time to time determine the minimum wager which bookmakers must be bound to lay when betting on any part of the club's premises.
- (4) Once a race has started, a bookmaker is not compelled to accept any bet or, alternatively, is not compelled to bet the minimum limits prescribed in this rule.

FORM SUMMARY

All eyes are going to be on one of Goldolphin's up and coming young stars in **GOLDEN MILE**. Whilst he will have bigger fish to fry, this looks like a nice kickoff point for his autumn campaign. **MARIAMIA** and **NICOLINI VITO** generally race well over this distance.
