Race 1 ATC BOOKMAKERS RECOGNITION DAY HANDICAP 1100m

Sovereign Fund	Bumped on jumping. Jockey J Kah reported that the colt was stirred up prior to the event and in her opinion may have come to the end of its preparation, but beyond this she could offer no other tangible explanation for the poor performance. Race three-wide with cover throughout. A post-race veterinary examination failed to reveal any abnormalities. GCST19/01/2023
Chrysoar	Awkwardly placed on heels when entering the home straight in an endeavour to improve, and a short distance later was disappointed for a run between SOVEREIGN FUND and EXCEL D'OR and as a result, CHRYSOAR had to be restrained and became awkward in its action. GCST19/01/2023
Thunderlrips	Began awkwardly, shifted out and made contact with another mr. Near the 900m shifted out across heels. Held up rounding the home turn. HAWK 01/04/2023
Tumbling Dipsy Doodle	Began only fairly, RAND 01/04/2023 After being loaded into barriers, became fractious, lunged forward & made contact with front of barriers. The filly was removed, underwent a vet exam & passed suitable to race. Shortly after start was bumped by another nr, which was taken in. A post-race vet exam rev the filly to have blood present in nearside nostril. As Stwds were satisfied blood present was due to a minor laceration the filly sustained when fractious in barriers, they did not deem the filly to be a one-nostril bleeder & accordingly, no action was taken under Rules. W FM 10/04/2023
Chevron	Began awkwardly and shortly after was bumped on the hindquarter by another runner which shifted out. When rounding the home turn was momentarily held up and when attempting to shift out to secure clear running was steadied when awkwardly placed close to the heels of another runner. Near the 150m shifted in under pressure resulting in its rider having to stop and straighten. Lost its off-hind plate. CANT24/02/2023
Gustosisimo	Began awkwardly & shortly after was bumped heavily & became unbalanced when another mr shifted in. Had some difficulty obtaining clear running in early part of straight & near 300m was steadied from heels. W FM 10/04/2023

Race 2 TAB HIGHWAY HANDICAP 1400m

Bianco Vilano	Began awkwardly and then was severely crowded for room. RAND 01/04/2023
Preemptory	Began awkwardly. RAND 15/04/2023
King Of Spades	Just prior to straightening became unbalanced when bumped. When qst re riding, rdr std instructed to race on-pace, preferably with cover. Std her mnt began awkwardly & did not muster early pace despite being ridden along, but near first turn was able to roll forward & position three wide without cover. Std along back straight she allowed mnt to roll forward hoping to settle outside leaders but as she felt she would have to do too much to improve forward to cross, she elected to remain racing three wide without cover, consequently it did not close off as hoped & felt it raced flat. RAND 11/02/2023
Super Extreme	Began awkwardly. RAND 15/04/2023
Unrelenting Lizardmania	Shortly after start shifted in & made contact with another mr. W FM 10/04/2023 When questioned re disappointing performance, rdr stated his mnt raced keenly throughout the early and middle stages and this was detrimental to its finishing efforts, despite him having some difficulty obtaining clear running in the home straight. A post-race vet exam revealed no abs. SCNE 20/03/2023
Little Prophet	Slow to begin. ARMD 26/03/2023
Proost (NZ)	Slow to begin. ARMD 11/12/2022
Chase My Crown	Began awkwardly, shifted out & made contact with another mr. Approaching 200m was taken out by another mr. RAND 15/04/2023
Barradas Jalmari	Began awkwardly. RAND 15/04/2023 After making ground became awkwardly placed behind another nr over final 50m & was not able to be tested. After nr shifted out marginally leaving 50m, that nr then shifted back in, resulting in the gelding being further steadied. RAND 15/04/2023
Sungblue	After 300m was brushed & taken out by another mr. Rdr reported after being afforded a favourable run behind speed, his mnt initially gave some response when shifted to outside on straightening, however, did not close off over final 200m. A post-race vet exam did not rev any abs. RAND 15/04/2023
Empress Zou	When questioned regarding the performance rider stated that the mare travelled well in a forward position throughout the early and middle stages in what he perceived to be a steady tempo. He added that once placed under pressure in the home straight the mare failed to sprint quickly and ran to the line fairly. He further added that in his opinion the mare was not suited by the steady tempo of the race. A post-race veterinary examination revealed no abnormalities. MWBK 31/03/2023
Indy Rose Warrior (NZ)	Began awkwardly. ARMD 11/04/2023
Justfour	Passing the 900m had to be eased when awkwardly placed on heels. Inclined to lay in when placed under pressure in the home straight. BEAU21/03/2023
Sassy Choice	Steadied from heels approaching the 300m. COFF 02/03/2023
James Barrie (NZ)	Raced wide and without cover for the majority of the event. EMERGENCY PROCEDURES

The Australian Turf Club's aim is to provide the best facilities to ensure your safety, comfort and enjoyment. The Club has developed comprehensive procedures to deal with any unexpected emergency situation that may arise. Our staff are trained and experienced in dealing with emergencies and evacuations. They are dressed in ATC uniforms at various points throughout the racecourse. Assisting in an emergency will also be security staff and Police officers.

Should an emergency situation arise, the alarm system will be heard over two stages:

- (1) Fire Alarm Bell – (**RINGING SOUND**). This notifies the Fire Brigade;
- (2) Evacuation Alarm – (**WHOOP – WHOOP – WHOOP SOUND**). This notifies ALL occupants to leave via the nearest safety exit under the supervision of the Emergency Wardens and proceed to the emergency assembly point.

On hearing the alert alarm, patrons are requested to remain calm and prepare to follow instructions from the Emergency Wardens. Cloak room items will be secured for you to collect after the situation is over. Mobility impaired patrons, including hearing and sight impaired patrons, should make contact with an Emergency Warden as they may need a "buddy" to assist in the evacuation in the evacuation. On hearing the evacuation alarm, the Wardens will usher you to the Safe Assembly Area so it is essential that you follow their instructions. Unless you are instructed otherwise, the Safe Assembly Areas are (see opposite page for locations):

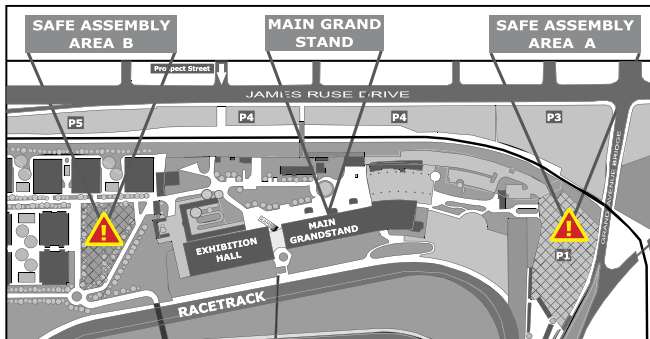

EMERGENCY ASSEMBLY AREA A:
Members No 1 Car Park

EMERGENCY ASSEMBLY AREA B:
Unwin Street Car Park

In the event of an emergency, please remember:

- (1) Listen carefully to the alarm tones;
- (2) Follow the directions of the Emergency Wardens;
- (3) Move quickly and quietly to the designated Safe Assembly Areas.

BOOKMAKER BETTING OBLIGATIONS BR13

- (1) At a race meeting within the metropolitan area, a bookmaker is obliged to lay the odds displayed if demanded by the backer, except that the bookmaker is not compelled to lose on any one bet more than the amount Racing NSW may determine and publish as the minimum bet list entitled "Betting limits for on-course Bookmakers to comply with BR13", as published on its website and amended from time to time.
- (2) When the backer claims the bookmaker for a win and place bet which is greater than the limits prescribed by this rule, the bookmaker must bet the backer the proportional equivalent of an each-way wager.
- (3) At a race meeting outside the metropolitan area or at an auditorium or betting office, the committee of a club may from time to time determine the minimum wager which bookmakers must be bound to lay when betting on any part of the club's premises.
- (4) Once a race has started, a bookmaker is not compelled to accept any bet or, alternatively, is not compelled to bet the minimum limits prescribed in this rule.

CHILDREN AT THE RACECOURSE

Children are welcome at all race meetings held at Royal Randwick, Rosehill Gardens, Canterbury Park and Warwick Farm. On any weekend race meetings there is free children's entertainment available. Children in the general admission area should be under the company of a responsible adult at all times. Children entering the Members' Enclosure must be in the company of a responsible adult at all times and must be suitably attired.

There are no restricted areas within the racecourse (except for 'Members' Only Areas') however patrons under the age of 18 years of age (minors) are not permitted entry to the racecourse unless accompanied by their Legal Guardian or Loco Parentis. (Responsible adult). This can be in the form of:

A BRIEF HISTORY OF BOOKMAKING

After a long period where wagers were simply made between 'gentlemen', in the late 19th century bookmakers began to make regular appearances on Australian race courses. Initially unregulated, in 1882 the Australian Jockey Club introduced registration fees and licensing for the rights to field. While the early bookmakers chose to field from wherever they felt was best on a day, the practise of standing from one location soon took hold, leading to the AJC in 1914 starting the process of conducting ballots to determine who was placed where, with options to field in the Paddock, the Leger or the Flat. The on course totalisator began operating in 1917 but this detracted little from overall bookmakers turnover and by 1930 there were over 400 bookmakers fielding at Randwick meetings.

In the late 1940s the expanded use of standard betting boards led to the introduction of the 'Rails' and formal betting rings allowing punters to more easily see and compare prices. In the 1950s the betting public started to become more informed about form and odds and the with the formation of the TAB in the 1960s, the competition and reduced role of bookmakers saw their numbers start to decrease. In the early 1980s computerised boards were introduced and in the late 1980s, the Australian Prices Network began distributing 'Official Prices' from bookmakers throughout Australia.

In the mid 1990s the internet revolution began with a number of online only bookmakers operating from the Northern Territory, leading to today where this is now the biggest market for wagering with a bookmaker. These 'corporate bookmakers' however are not always as accessible as the on course operators who still take on some of the biggest punters in the wagering industry.

SOVEREIGN FUND carries the weight he deserves and his recent trial win suggests he is ready to go this time in. TUMBLING has the ability but looked unsuited on the heavy deck last start. HYDE PARK looks the pick of the debutants.

FORM SUMMARY

LISZTOMANIA just missed in a driving finish against similar company last start at Randwick. The rise in distance is going to suit him very nicely here. JUSTFOUR and INDY ROSE WARRIOR just need luck from their wide barriers. RUSSELLY CROWN will be in it for a long way.

ALAN DAVIDSON

In 2023 Alan Davidson celebrates more than 50 years of fielding as a bookmaker.

Educated and working as a maths teacher, Alan first put his knowledge of numbers to the test at Wentworth Park and Harold Park in the early 1970's, as well as the Newcastle thoroughbred ring.

In those days he was one of many...on his first night at Wentworth Park he fielded from stand number 72!

Alan took up a stand at Sydney tracks in the late 70's, first in the Leger before moving to the Interstate Rails in the mid 80's. His time included fielding between Bruce McHugh and Mark Read when Kerry Packer was betting at his peak.

In the early 90's Alan, along with son Hamish, partnered with others in starting Sportodds, one of the first online bookmakers in Australia. Alan remembers explaining to the committee of the City Tattersalls Club how it would all work before receiving a license - a tricky concept at the time!

On course, Alan was quick to take advantage of new positions created in grandstand areas, a successful decision from where he has been servicing punters for the last 30 years offering odds for all venues.

The Australian Turf Club congratulates Alan for his 50 years as a bookmaker and recognises his significant contribution to the NSW Racing Industry.

HENRY NOONAN

Though not deaf himself, Henry's birth into a deaf family gave him a particular set of skills that saw his early involvement in racing include acting as race caller using sign language.

After trying his hand in various industries, including as the youngest person in NSW to hold a Tobacco and Milk bar licence, Henry joined the NSW Bookmakers Co-Op in 1982 and began fielding on course.

in 1992 his operation progressed to Metropolitan tracks for both the AJC and STC where he stood for 30 years, largely on the esteemed Sydney Rails.

In 2013, Henry's son Luke joined him in the formation of Noonan Racing and online business, TopOdds.

Often a favourite with various charities holding functions on course, Henry's motto was that "a \$1 punter is equal to a \$1,000 punter" and he was always keen to encourage new participation in the Sport of Kings.

Henry Noonan retired from bookmaking in December 2022.

The Australian Turf Club recognises Henry's significant contribution to the NSW racing industry and wishes him well for the future.

FORM SUMMARY

HELLFEST is a nice horse in the making and will be well aided with the claim of in-form apprentice Zac Lloyd. Forget his last start, KIPSBAY can make an impact rolling forward this race. DASHING LEGEND has been beaten by some high quality 3 year-olds in recent starts.

NSW BOOKMAKER CO-OPERATIVE

Forming in 1948, the NSW Bookmakers' Co-Operative Society Ltd was initially a representative body for Sydney based bookmakers. Through a number of amalgamations with similar associations and societies throughout NSW over the following 30 years, the 'Co-Op' (as it is now generally known) has evolved to become the sole industry body representing nearly all on course operators throughout the state (including ACT).

At its peak in 1984, the Co-Op was responsible for providing financial guarantees for almost 800 on course bookmakers, thereby protecting punters at all courses from the risk of defaults when collecting a winning bet.

Outside of this, and other, administrative roles, the Co-Op performs the vital element of ensuring that on-course bookmaking remains an integral and viable part of the NSW Racing Industry and that the regulatory and business related arrangements for its members are conducive to this objective.

Comprised of an elected board of directors, with representatives from both city and country regions, the Co-Op is affiliated with the Australian Bookmakers Association with whom they also work closely in co-operation with the other States' bookmaking associations on matter of national impact.

BILL MURPHY

Considered one of the elder statesmen of the Metropolitan bookmakers ring, Bill Murphy has been fielding on course for almost 40 years.

Bill's first foray into racing was running a book on the Melbourne Cup at school and a good run on the punt at age 22 had him seriously considering becoming a bagman. Talked out of it by his father to instead finish his accountancy studies, it was over 20 years later when his own son pointed out an advert for bookmakers at Harold Park trots.

But it was thoroughbreds that held Bill's passion, and an opportunity to field regularly on horses in Newcastle saw him expand to the Hunter region, albeit still as a hobby.

At this time Bill had put his studies to good use and operated a successful chartered accountancy, but in the late 80's a change to his office lease gave Bill the impetus to become a full time "turf accountant". In the early 90's Bill moved to the Sydney courses and within 12 months was on the Rails, remaining there since.

In 2008 Bill's son and instigator of the first registration, Shan, formed a company with his father, working alongside him for the last 15 years.

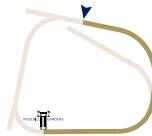

The Australian Turf Club recognises Bill's significant contribution to the NSW racing industry.
