Rosehill Gardens 24/09/2022

**War Eternal** When questioned re riding in the straight & reason he shifted to the outside of a mnt near the 250m, rdr std his preference was to take a run to the outside to ensure his mnt had clear running. He std he had not identified the rnr in front shift in prior to commencing this manoeuvre &, as a result, committed to improve to the outside. He added in hindsight he should have been more alert that a run had become available & this would have been a better option. In agreeing with the rdr's comments Stewards advised that wherever possible he should take advantage of runs that are presented. Royal Randwick 17/09/2022

### Race 9 - 4:45PM FURPHY METROPOLITAN (2400 METRES)

**Mankayan** Rdr stated that on return to scale he observed that his mount had its tongue over the bit and he felt that this was the principal reason for its disappointing performance. Added he had recommended to connections to add a tongue tie to the gelding's gear at its next race start. A post-race vet exam revealed no abs. Newcastle 16/09/2022

**No Compromise** Inclined to lay in under pressure in the straight. For a short distance leaving the 150m was awkwardly placed on heels. Royal Randwick 17/09/2022

**Durston** COT: To be ridden further forward from the inside barrier; settled worse than midfield. Began awkwardly and bumped a runner. Held up passing the 600m and did not secure clear running until near the 300m. Newcastle 16/09/2022

**Surefire** COT: Option to be ridden further forward; settled on pace. Royal Randwick 17/09/2022

**Grove Ferry** Raced keenly in the early stages. Rosehill Gardens 24/09/2022

**Carif** Rdr std instructed to ride mnt with cover, however after it began particularly well & anticipated leader, which was drawn to inside, did not show early speed, he elected to ride mnt along to assume lead passing w/post on 1st occasion, where it travelled well t/out early & mid stages. When qst re riding in early part of home straight, rdr std intended racing on rail in home straight, however shortly after straightening mnt commenced to lay out & near 300m shifted out abruptly, despite his efforts to maintain a straight course, which afforded room for eventual winner to improve to his inside. Newcastle 16/09/2022

**Francesco Guardi** On jumping was crowded. From a wide barrier was then shifted behind rnr in the early stages. Rdr advised that his mnt hung in throughout the event. Royal Randwick 17/09/2022

When qst re riding, rdr std from wide barrier was given option of riding mnt conservatively, but after commencing awkwardly he elected to position towards rear of field to avoid being wide. Std mnt travelled well through early & mid stages & near 1000m had to steady off heels. Std mnt did not travel strongly thereafter & from 800m urged it forward to hold position. Add on straightening altered course & secured clear running at 100m & ran on strongly. Rosehill Gardens 24/09/2022

### Race 10 - 5:25PM CLEANAWAY HANDICAP (1200 METRES)

**Rustic Steel** On jumping was crowded for room. From a wide barrier then was shifted behind rnr in the early stages. From the 350m until the 250m was held up for clear running. Over the concluding stages could not be tested after improving up on to heels. Rosehill Gardens 10/09/2022

**O'president** When qst, rdr std whilst intentions were to hold a fwd position, had no instructions to set a fast tempo. Std after beginning fairly allowed mnt to hold a position inside leader, after a short distance restrained to ensure it didn't race keenly. Std with leader to her outside, mnt raced fiercely & didn't settle, resulting in a fast tempo. Added near 800m, mnt responded to reduce pace, but at 600m came under pressure & didn't respond. A post-race vet exam revealed no abs. Tnr agreed with rdr's comments. Tnr told the gelding must trial prior to racing again. Since passed trial at W Farm 23/9/22. Royal Randwick 17/09/2022

**Remarque** Raced wide and without cover throughout the event. Rosehill Gardens 10/09/2022

**Steeley** Slow to begin. When questioned re performance, rdr advised that his mount was under pressure from the 600m, did not respond to his riding thereafter and in his view did not handle the rain affected conditions. A post-race vet exam revealed no abs. Canberra 25/02/2022

**Coal Crusher** Rdr reported that when caught three wide and without cover in the early stages, he endeavoured to steady to obtain cover, however the gelding, which was racing with blinkers back on today, refused to settle and due to the manner in which it was overracing he was obliged to allow it to improve forward near the 800m to take up a position outside the lead. Royal Randwick 11/06/2022

**Kinloch** From the outside barrier was shifted behind rnr in the early stages. Royal Randwick 17/09/2022

**Maotai** When questioned re racing outside the lead, rdr reported that he was given no specific instructions as to where to settle other than where the gelding was comfortable. He added that with the moderate early pace his mnt held a more forward position and he was reluctant to restrain it in the early stages to avoid it overracing, particularly with the cross-nose band being removed today. He advised that his mnt did not appreciate today's Soft (7) track. A post-race vet exam revealed no abs. Royal Randwick 17/09/2022

**Zoushack** Rdr std that his mount began awkwardly and despite being ridden along did not show sufficient pace to take up a more forward position. As a result the gelding was shifted behind rnr in the early stages. Royal Randwick 17/09/2022

**Bacchanalia** A post-race vet exam rev no abs. Rosehill Gardens 10/09/2022

**Chassis** A post-race vet exam revealed the mare to have bled from both nostrils for the first time. Co-tnr was advised of the provisions of AR79(4). Since passed trial at Gosford 29/8/22. Warrnambool 04/05/2022

**Mana Nui** COT: To settle further forward from the inside barrier; settled midfield. Near the 1100m was crowded. Rdr reported after being crowded at the 1100m his mnt did not travel comfortably thereafter and was inclined to race keenly. A post-race vet exam rev no abs. Tnr rep subsequently reported satisfaction with post-race condition of the gelding and advised the intention is to continue with its current preparation. Rosehill Gardens 10/09/2022

# EMERGENCY PROCEDURES

The Australian Turf Club's aim is to provide the best facilities to ensure your safety, comfort and enjoyment. The Club has developed comprehensive procedures to deal with any unexpected emergency situation that may arise. Our staff are trained and experienced in dealing with emergencies and evacuations. They are dressed in ATC uniforms at various points throughout the racecourse. Assisting in an emergency will also be security staff and Police officers. Should an emergency situation arise, the alarm system will be heard over two stages:

- (1) Alert Alarm - (**BEEP - BEEP - BEEP** SOUND). This will be heard on each floor to notify Emergency Wardens to stand by and prepare for possible evacuation;
- (2) Evacuation Alarm - (**WHOOOP - WHOOOP - WHOOOP** SOUND). This notifies ALL occupants to leave via the nearest safety exit under the supervision of the Emergency Wardens and proceed to the emergency assembly point.

On hearing the alert alarm, patrons are requested to remain calm and prepare to follow instructions from the Emergency Wardens. Cloak room items will be secured for you to collect after the situation is over. Mobility impaired patrons, including hearing and sight impaired patrons, should make contact with an Emergency Warden as they may need a "buddy" to assist in the evacuation in the evacuation. On hearing the evacuation alarm, the Wardens will usher you to the Safe Assembly Area so it is essential that you follow their instructions. Unless you are instructed otherwise, the Emergency Assembly Areas are:

### EMERGENCY ASSEMBLY AREA A:

The Doncaster Lawn located between the Members' Entrance (Gate C) and Racecourse Entrance (Gate D) off the Main Drive.

### EMERGENCY ASSEMBLY AREA D:

Area located to the South of the Equine Centre

In the event of an emergency, please remember:

- (1) Listen carefully to the alarm tones;
- (2) Follow the directions of the Emergency Wardens;
- (3) Move quickly and quietly to the designated Safe Assembly Areas.

# RESPONSIBLE SERVICE OF ALCOHOL

## POLICY

The Australian Turf Club is committed to Responsible Service of Alcohol (RSA) across all our venues and endeavours to comply at all times with all the requirements of the NSW Liquor Act 2007. The Club is an active member of a number of Local Liquor Accords including the Eastern Beaches Liquor Accord and also the Rosehill and Liverpool Liquor Accords. The Australian Turf Club has adopted the following House Policy, which provides a framework for the Responsible Service of Alcohol.

## ALCOHOL CONSUMPTION

Patrons who are intoxicated or approaching intoxication will be refused admission to our venues. Patrons who are observed drinking upon approach to one of our venues will be refused entry. Appropriate and compliant signage will be displayed at all entry points. Patrons on board "Party Buses", Limousines or Hire Cars with alcohol present will have their intoxication levels assessed by Security and risk refusal of entry to the venue. Any patron refused service by bar staff or identified by Security as approaching intoxication will be asked to leave the venue immediately as per Section 77 of the NSW Liquor Act 2007

## UNDER AGE DRINKING

The Australian Turf Club recognises the following forms of identification:

- A driver's or rider's licence or permit (issued by an Australian State or Territory or any foreign country)
- Australian passport or a foreign passport issued by another country,
- NSW photo card (issued by Roads and Maritime Services NSW)
- Proof of age card issued by a public authority of the Commonwealth or of another State or Territory for the purpose of attesting to a person's identity and age
- Keypass (over-18) identity card issued by Australia Post.

Patrons who appear to be aged 25 years or under may be asked for identification at any time by Security, Police or an ATC staff member. If identification is unable to, or refused to be produced that patron will be asked to leave the venue. Any minor found in close proximity to or using alcohol or gaming outlets will be asked to leave the venue. The person identified as being responsible for the minor (as per the NSW Liquor Act 2007 in relation to Responsible Adults) will also be asked to leave the venue.

## ANTI-SOCIAL BEHAVIOUR

Any patron found to be disrupting the quiet enjoyment of other patrons around them by means of their actions or behaviour will be asked to leave the venue.

## TRAINING AND PROMOTIONS

All staff have been informed about their obligations in relation to this policy on Responsible Service of Alcohol and have been adequately trained to support this policy. This Club seeks to publicise and promote its position on Responsible Serving Practices.

## BOOKMAKER BETTING OBLIGATIONS BRI3

- (1) At a race meeting within the metropolitan area, a bookmaker is obliged to lay the odds displayed if demanded by the backer, except that the bookmaker is not compelled to lose on any one bet more than the amount Racing NSW may determine and publish as the minimum bet list entitled "Betting limits for on-course Bookmakers to comply with BRI3", as published on its website and amended from time to time.
- (2) When the backer claims the bookmaker for a win and place bet which is greater than the limits prescribed by this rule, the bookmaker must bet the backer the proportional equivalent of an each-way wager.
- (3) At a race meeting outside the metropolitan area or at an auditorium or betting office, the committee of a club may from time to time determine the minimum wager which bookmakers must be bound to lay when betting on any part of the club's premises.
- (4) Once a race has started, a bookmaker is not compelled to accept any bet or, alternatively, is not compelled to bet the minimum limits prescribed in this rule.

## NOTICE TO PATRONS ARI60B

No person shall, without permission of the Stewards:

- (1) Transmit in any way from the grounds of a racecourse any betting odds being offered by bookmakers on any horse that is competing at a racecourse in Australia or elsewhere.
- (2) While betting is taking place on the grounds of a racecourse, have turned on or use in any way at any of the following places on the racecourse any portable telephone, radio transmitter, radio transceiver or any other appliance, apparatus, instrument or equipment that is capable of transmitting information:
  - (a) in the mounting enclosure
  - (b) in the scales area
  - (c) in any other area designated by the Stewards

Notwithstanding the provisions of this sub-rule an owner present in the mounting yard immediately after the running of a race is permitted to use a mobile phone.

- (3) Within the area of the jockey's room, bring into, have in their possession, or use any portable telephone, radio transmitter, radio transceiver or any other appliance, apparatus, instrument or equipment that is capable of transmitting information.

## CHILDREN AT THE RACECOURSE

Children are welcome at all race meetings held at Royal Randwick, Rosehill Gardens, Canterbury Park and Warwick Farm. On many weekend race meetings there is free children's entertainment available. Children in the general admission area should be under the company of a responsible adult at all times. Children entering the Members' Enclosure must be in the company of a responsible adult at all times and must be suitably attired.

There are no restricted areas within the racecourse (except for 'Members' Only Areas') however patrons under the age of 18 years of age (minors) are not permitted entry to the racecourse unless accompanied by their Legal Guardian or Loco Parentis. (Responsible adult). This can be in the form of:

- A parent, step-parent or guardian of the minor
- A person who is, for time being, in loco parentis to the minor. This person must be 25 years of age or older and be able to verify to the satisfaction of the ATC their relationship to the minor

Definition of In Loco Parentis. The term "Loco Parentis" describes a relationship similar to that of a parent to a child; specifically it refers to an individual who assumes parental status and responsibilities for another individual, usually a young person, without formally adopting that person.

Any minor found in close proximity to or using alcohol or gaming outlets will be asked to leave the venue. The person identified as being responsible for the minor (as per the NSW Liquor Act 2007 in relation to Responsible Adults) will also be asked to leave the venue. Prosecution by the NSW Police is also an option.

### FORM SUMMARY

When second-up last campaign, **MONTEFILIA** knocked off Verry Elleegant at WFA over 2000m in heavy conditions. She looks well-placed here to sit off the speed and finish strongest. **STOCKMAN** relishes the wet and is ready to peak. **CASCADIAN** is rarely far away at this level.

**FORM SUMMARY**

LINDERMANN will be desperately unlucky not to have a win next to his name this campaign. However the rise in distance should suit him third-up. COMMUNIST and SCIENTIST will be vying for the early supremacy. WILLIAMSBURG only needs luck from a wide barrier.

## FLIGHT STAKES

The Flight Stakes was named for the great mare Flight and was first run in 1947 soon after her retirement. Owned by AJC Chairman Sir Brian Crowley, she became a favourite with race goers, often beating the champions of the time.

The jockey George Moore dominates the race winning it eight times over his career. He first won the Flight Stakes in 1953 aboard Redeswood. Teaming up with T. J. Smith, Moore then won aboard Hoa Hine (NZ) (1961), Jan's Image (1962), Candy Floss (1966), Flying Fable (1968), Natal Lass (1969), Better Gleam (NZ) (1971). His other win was aboard Reveille in 1964 for trainer Jack Green.

While the focus is often on the winners, those that just miss out can be as interesting. Several Golden Slipper winners slipped as three-year-olds. Birthday Card, Dark Eclipse, and Burst all came second in the Flight Stakes. In 2014, the great Winx had one of her few defeats, losing out to First Seal by three lengths.

### FORM SUMMARY

**MAZU** held his ground resuming in *The Shorts*. The decisive factors may be that he is unbeaten on heavy going, and gets a 2kg weight swing on key rival **LOST AND RUNNING**, who attacked the line strongly in that race. **OVERPASS** stuck on bravely there and will take catching.

## THE EPSOM HANDICAP

The Epsom Handicap was named after the famous racecourse in the UK where the English Derby is run, connecting the race to the 'old country' and increasing the prestige of the race. From its first running in 1865, the Epsom has developed into Sydney's major spring mile race.

In September 1897, 11-year-old jockey Jim McHugh was booked to ride Robin Hood in the Epsom. From a splendid start McHugh manoeuvred his mount into a leading position which he upheld throughout. Robin Hood crossed the line three lengths ahead of Survivor, making McHugh the youngest jockey to win an Epsom.

Gunsynd, also known as 'The Goondiwindi Grey', knew how to fight over various distances. Loved by the crowd, after a race he would stand in the mounting yard and acknowledge their enthusiasm with a toss of the head or even a bow. Gunsynd won the 1971 Epsom by three lengths. He lined up again in 1972 carried a whopping 62kg, on a rain affected track. He joined in a titanic struggle with Triton at the finish. Photographs were consulted and Triton was declared the winner by a ½ head.

## THE METROPOLITAN HANDICAP

The staying race of spring, the Metropolitan Handicap had a few variations in name before the present nomenclature. Classy winners abound over the long history of the race. A crowd favourite was Ming Dynasty.

Purchased by Bart Cummings at the 1974 Sydney summer sales, Ming Dynasty soon worked his way into people's hearts. Early wins included the AJC Summer Cup, Australian Cup, the Queen Elizabeth Stakes, and his first Caulfield Cup.

He won the Metropolitan at five, carrying the top weight of 59.5kg. He dashed to a clear lead early on but the favourite Over The Ocean made a play. Kevin Langby was able to manoeuvre Ming Dynasty through a gap to victory, holding off a late surge by lightly weighted Arwon.

Ming Dynasty continued to race until he was seven. His last race was a win in the 1980 Caulfield Cup. He was back at Randwick the next year as a Clerk of the Course, a role he fulfilled until full retirement in 1992.
