Near the 200m shifted out under pressure resulting in its rnr having to correct his mnt, then continued to shift ground for the remainder of the event. Kembla Grange 13/10/2022
Singapura	Began awkwardly. Hawkesbury 20/10/2022

## Race 2 - 12:25PM TAB HIGHWAY HANDICAP (1000 METRES)

Valiant	Making the home turn was inclined to lay in and became awkwardly placed close to the running rail. Gosford 07/05/2022
Limited Reality	A post-race vet exam revealed no abs. Royal Randwick 17/09/2022
Prince Nicconi	Shortly after the start shifted out & bumped another rnr. Rdr reported that his mnt appeared to race flat & may not have backed up from its last start where it had a hard run on a heavy track. A post-race vet exam revealed the gelding to be suffering mild heat stress. Trn was advised that a vet clearance will be required before the gelding is permitted to race/barrier trial again. Royal Randwick 17/09/2022

When questioned re riding in early stages of the straight, rdr std after following a rnr into the home straight, he observed a run to its inside & commenced to shift in to secure this position, but as he did so it then laid in in advance of him & as a consequence he was disappointed & had to shift outwards where he secured clear running at the 250m. Near the 150m was directed outwards to continue into clear running. Royal Randwick 17/09/2022

Further advised it was making mild respiratory noise. A post-race vet exam revealed no abs. Trainer subsequently reported that the mare had done well in the stable since its disappointing performance. He said that he would likely apply a tongue tie to its gear for its next race start. Royal Randwick 11/06/2022
Soami	When qst re settling in on-pace position, rdr std after talks with connections it was decided to ride mnt more forward on the rail. Std after beginning well he initially settled outside a rnr, but as it was available to him to ride mnt along to obtain a position on rail he elected to do this which resulted in him settling further forward. Std mnt travelled well through mid stages, but at entrance to straight he was badly held up & unable to obtain clear running until passing the 100m, after which he felt it had lost momentum & out of contention so chose not to pressure it over final stages. Rosehill Gardens 18/06/2022
Invincible Kiss	From the outside barrier was shifted behind runners in the early stages. Royal Randwick 16/04/2022

Robusto	Stewards questioned Rdr regarding his riding in the home straight, he stated that upon entering the home straight, when trailing another rnr, he observed a slight shift out and was of the view that this would have afforded his mount a run to the inside of that rnr. He added that when he attempted to place his mount to the inside of, that runner failed to shift out as he had expected and as a consequence he was obliged to check his mount when disappointed for this run. Warwick Farm 19/10/2022
Manderboss	Approaching the 1200m was bumped and crowded. Newcastle 15/10/2022
Sea Treasures	Crowded on jumping and raced in restricted room for a short distance after the start. Raced keenly in the early stages. Eagle Farm 28/05/2022

Razeta	From the 300m to the 250m was held up for clear running. Royal Randwick 15/10/2022
This 'llbethone	When questioned, rdr std instructions were to endeavour to find cover, however after mnt began well, and with another rnr drawn to his immediate inside jumping extremely well, he elected to take advantage of the situation and follow that rnr across to settle in an on pace position. Std mnt travelled comfortably through the early stages of the race, however when the tempo increased from the 800m it did not appear to cope with the stronger tempo. Added mnt came under heavy pressure to hold its position from the 600m and was most disappointing in the manner it failed to close off its race. Warwick Farm 13/06/2022
Operative	After being crossed by rnr near the 900m, that rnr then slowed the tempo, resulting in the colt having to be checked from the heels of that rnr. Newcastle 15/10/2022

Bandersnatch	Underwent a veterinary examination upon arrival, after suffering minor abrasions en route to the course, and was passed suitable to race. Raced three wide without cover. Caulfield 15/10/2022
Surf Dancer	Rdr reported his intention was to hold a forward position but when another rnr improved to his outside along the back straight he allowed that rnr to cross to the front when it commenced to set a strong pace. He added his mount was then obliged to follow this rnr, which continued to set a strong tempo but finished the race off only fairly & appeared to race flat. # EMERGENCY PROCEDURES

The Australian Turf Club's aim is to provide the best facilities to ensure your safety, comfort and enjoyment. The Club has developed comprehensive procedures to deal with any unexpected emergency situation that may arise. Our staff are trained and experienced in dealing with emergencies and evacuations. They are dressed in ATC uniforms at various points throughout the racecourse. Assisting in an emergency will also be security staff and Police officers. Should an emergency situation arise, the alarm system will be heard over two stages:

- (1) Alert Alarm - (**BEEP - BEEP - BEEP** SOUND). This will be heard on each floor to notify Emergency Wardens to stand by and prepare for possible evacuation;
- (2) Evacuation Alarm - (**WHOOOP - WHOOOP - WHOOOP** SOUND). This notifies ALL occupants to leave via the nearest safety exit under the supervision of the Emergency Wardens and proceed to the emergency assembly point.

On hearing the alert alarm, patrons are requested to remain calm and prepare to follow instructions from the Emergency Wardens. Cloak room items will be secured for you to collect after the situation is over. Mobility impaired patrons, including hearing and sight impaired patrons, should make contact with an Emergency Warden as they may need a "buddy" to assist in the evacuation in the evacuation. On hearing the evacuation alarm, the Wardens will usher you to the Safe Assembly Area so it is essential that you follow their instructions. Unless you are instructed otherwise, the Emergency Assembly Areas are:

### EMERGENCY ASSEMBLY AREA A:

The Doncaster Lawn located between the Members' Entrance (Gate C) and Racecourse Entrance (Gate D) off the Main Drive.

### EMERGENCY ASSEMBLY AREA D:

Area located to the South of the Equine Centre

In the event of an emergency, please remember:

- (1) Listen carefully to the alarm tones;
- (2) Follow the directions of the Emergency Wardens;
- (3) Move quickly and quietly to the designated Safe Assembly Areas.
