VALE HER MAJESTY QUEEN ELIZABETH II

The Australian Turf Club has joined racing jurisdictions and nations around the world in paying tribute to the remarkable life and service of Her Majesty Queen Elizabeth II. Australian Turf Club Chairman Peter McGauran said Her Majesty's lifelong service and love of horse racing would be remembered forever in history. "We join with people in racing and around the world in honouring and thanking Her Majesty for her unflinching service and remarkable life," Mr McGauran said. "The Australian Turf Club and in particular Royal Randwick is inextricably linked with Her Majesty Queen Elizabeth II and her love of the Thoroughbred and racing." Royal Randwick along with Royal Ascot are the only two racecourses in the world to carry the official Royal title as approved by Her Majesty Queen Elizabeth II.

LOVE OF THE HORSE

Her Majesty had a lifelong passion for horses as a keen racegoer, successful owner and a breeder. Thoroughbred racing was in her blood. John Warren, her trusted and long-time racing adviser, once said: "If the Queen wasn't the Queen, she would have made a wonderful trainer. She has such an affinity with her horses and is so perceptive." Horses were a feature of her life from early childhood when she learned to ride on a Shetland Pony named Peggy, a fourth birthday present from her grandfather George V. Her interest in racing developed during World War II, when she accompanied her father to see the royal horses training in Wiltshire. "I was able to pat them in the stables afterwards," she later recalled. "I'd never felt the satin softness of a thoroughbred before." The Queen's first public appearance at a race meeting came a fortnight after the end of the War in Europe, in May 1945, when she accompanied her parents to Ascot. Throughout her life, days marked in her diary every year were Derby Day and Royal Ascot. The Racing Post, the sport's dedicated daily newspaper, was her regular morning reading.

RACING IN AUSTRALIA

Her Majesty attended several race meetings in Australia during her 70-year reign including three visits to Royal Randwick - in 1954, 1970 and 1992. Following her coronation, she visited Sydney on her first international trip as Queen in 1954. This included a day at Randwick Racecourse on 6 February. On this day, the Queen Elizabeth II Stakes ran for the first time. After its success, the AJC Committee renamed the AJC Plate as the Queen Elizabeth II Stakes in her honour. There was a strong field with greats of the day including Hydrogen, Carioca, Gallant Archer, and Euphrates. It was outsider Blue Ocean who took the honours beating Euphrates by two and a half lengths. Jockey Arthur Podmore and Trainer Harry Darwon were presented the winning prize by Her Majesty.

On her return to Australia in 1970, Her Majesty Queen Elizabeth II again visited Randwick Racecourse, this time for the third day of Autumn Carnival featuring the Queen Elizabeth II Stakes where 100/1 Queensland horse Panvale won, giving apprentice jockey Peter Cook his first and, arguably, his most memorable major success as he was presented his trophy by Her Majesty.

RANDWICK'S ROYAL SEAL OF APPROVAL

She used her visit to Randwick in February 1992 to officially grant the then Australian Jockey Club the right to call the racecourse Royal Randwick. It was an honour not lightly granted. During her visit she officially opened the Paddock Stand, which coincided with the AJC celebrating its 150 year anniversary. A crowd of 25,790 attended that day. Today, the Queen Elizabeth II Grandstand opened in 2013 stands as a lasting testament of her support of Australia's thoroughbred industry. The Queen's Cup recently run at Rosehill Gardens continues to be an annual highlight in the Australian racing calendar. First run in 1927 as the King's Cup, it was renamed The Queen's Cup in 1952 when Her Majesty graciously sanctioned its running and donated a gold cup to the winning owner. It has been won by the likes of Phar Lap, Rogilla, Macdougall, Red Handed, Leilani and Natski.

HER MAJESTY'S FIRST VICTORY

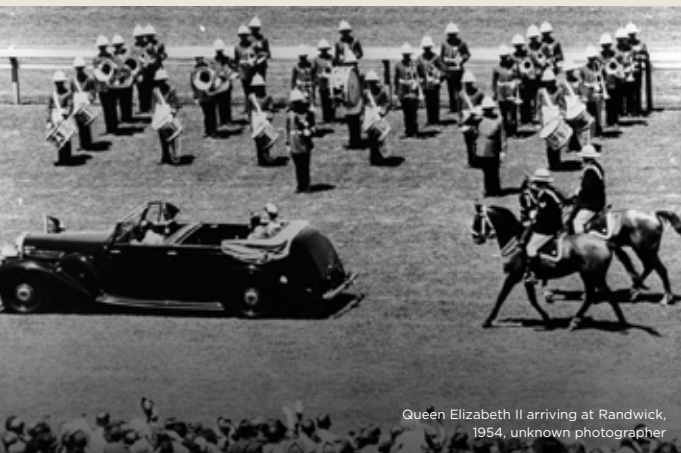

The Queen's first victory on the turf was in the UK with Monaveen over jumps at Fontwell Park in 1949 and her first flat winner in 1950 was Astrakhan, a horse given to her by the Aga Khan as a wedding present. Twice champion flat owner (in 1954 and 1957), she bred and owned the winner of every British Classic apart from the world-renowned Epsom Derby, triumphing in the 1,000 Guineas, 2,000 Guineas, the Oaks and the St Leger. In a 1974 BBC documentary, the Queen, who also rode horses for pleasure as well as in ceremonial events, summed up her "simple" racing philosophy. "I enjoy breeding a horse that is faster than other people's," she said. "To me, that is a gamble from a long way back. I enjoy going racing but I suppose, basically, I love horses, and the thoroughbred epitomises a really good horse to me."

LOVE OF RACING AND BREEDING

The Queen loved her horses. She loved seeing them race and loved making breeding plans for her mares at the Royal Studs. There were hand-written letters each autumn to her trainers detailing the yearlings they were being sent. She also enjoyed trips in the British spring to see horses and trainers as well as chatting with the people who looked after her horses. Those people got to see the Queen in a different, more relaxed light. The Queen had a remarkable memory for her horses. "She recognised her horses by sight, was fascinated by their mental and physical development and always talked in detail to the groom who looks after each one," said British broadcaster Clare Balding, whose grandfather, father and brother have all trained horses for the Queen. "One tiny example of the attention to detail was the Queen never wore perfume when she visited the yard to see her horses as it can excite testosterone-fuelled young colts."

ATTENDING ROYAL ASCOT

The Royal Ascot meeting was to become one of Her Majesty's favourite social occasions, where she enjoyed a total of 24 victories as an owner. Every year, the Queen would arrive in a procession from Windsor Castle and punters would bet on what colour hat she would wear - with blue proving a popular choice. One of her favourite jockeys was Frankie Dettori, and the pair would often share a joke after major race wins. Dettori recalled after a victory in the King George VI and Queen Elizabeth Stakes at Ascot. "That's my fourth King George," I said. The Queen looked at me and raised an eyebrow: 'Lester (Piggott) won seven.' That was me told." Royal winners were invariably cheered home. Racegoers seemed to appreciate that a woman who had devoted her life to duty serving her country was able to enjoy a moment of her personal, private passion. Racegoers and TV viewers around the world witnessed her delight at the event in 2013 when her colours were carried to victory by her horse, Estimate, in the Gold Cup. The subsequent commissioning of a statue of Estimate at her Sandringham home further demonstrated her enduring love of horse racing, a sport which offered a rare glimpse into the person behind the crown.

WINNING IN AUSTRALIA

Her Majesty enjoyed more than 1,800 winners but it wasn't until 2016 that her horse Bold Sniper who won at Sandown in Victoria that she had her first winner in Australia. Only earlier this month a horse owned by the Queen, Chalk Stream, carried her famous colours at Royal Randwick - purple, gold braid, scarlet sleeves, black velvet cap and gold fringe. Chalk Stream ran at Royal Randwick for trainer Chris Waller, the final time Her Majesty's colours were carried competitively on any Australian racecourse before her passing.

A minute's silence was held at Rosehill Gardens' Run To The Rose meeting last Saturday and flags flown at half-mast across Sydney racecourses. The Australian Turf Club as part of the Queen's Platinum Jubilee celebrations this year has secured funding to build a permanent garden in Her Majesty's honour at Royal Randwick.

I'm Not Sew	Bumped at the start. Raced three wide without cover throughout. Doomben 08/06/2022

Race 2 - 12:15PM MIDWAY HANDICAP (1600 METRES)

Zou De Moon	COT: To be ridden further forward with the option to lead; settled on pace. Shifted out on jumping and made contact with another rnr. Warwick Farm 31/08/2022
Oakfield Arrow	Shortly after jumping was bumped on the hindquarter. Near the 300m made contact with another rnr when endeavouring to shift outwards but was disappointed for this run and was then shifted inwards where it secured clear running at the 200m. Rosehill Gardens 27/08/2022
Navajo Peak	COT: To be ridden further forward; settled on pace. Royal Randwick 03/09/2022
Mahagoni	Began awkwardly and from the outside barrier was shifted behind rnr's in the early stages. Rosehill Gardens 27/08/2022
Diamond Diesel	Rdr std when placed under pressure in the early stages of the straight mnt did not initially respond to riding. Added near the 200m mnt became held up behind another rnr & could not be fully tested for the remainder of the event. When qst if there was an opportunity to shift to the inside of another rnr over the concluding stages to improve rdr std was unsure if that rnr was still positioned to inside & for this reason elected to remain racing behind that rnr. Once viewed patrol films rdr agreed in retrospect there was opportunity to shift to the inside of that rnr albeit over the final 50m. Rosehill Gardens 27/08/2022
Chilko Lake	Bumped on jumping. Rosehill Gardens 27/08/2022
Onemore Sapphire	Began only fairly. Approaching the 200m became held up when endeavouring to improve into a narrow run, and as a result was held up from the 200m until the 100m. Rosehill Gardens 13/08/2022
Diva Bella	COT: To settle further forward; settled on pace. Raced wide & without cover until near the 1200m where it took up a position outside the leader. Wyong 28/08/2022
Bella Violet	Rdr permitted to ride 1kg over allocated weight. Rdr std whilst his mnt endured a wide run without cover, he attributed the disappointing performance to it failing to handle the heavy track. A post-race vet exam revealed no abs. Tnr concurred with the views of rdr. Tnr reported a subsequent vet exam, including an endoscopic exam, revealed no abs and advised the intention will be to avoid heavy tracks. Royal Randwick 03/09/2022
Microna	COT: To be ridden further forward; led. Royal Randwick 03/09/2022
Loving Cilla	After being slow to begin, lost ground shortly after when tightened for room. Shifted in behind rnr's from its wide barrier in the early stages. Near the 200m when inclined to lay in was awkwardly placed close to heels. Rosehill Gardens 27/08/2022
Herb	Began awkwardly, shifted out and bumped with another rnr. Rosehill Gardens 27/08/2022
Sebring's Rose	Began awkwardly, shifted in and made contact with another rnr. Gosford 26/08/2022

Pacific Warrior	Began awkwardly, resulting in its rdr becoming unbalanced. Near the 100m laid out across the heels of another rnr and had to be eased. A post-race vet exam revealed no abs. Tnr subsequently advised the gelding had jarred up and this had impacted on its performance and the intention is to continue with its current preparation. Gosford 26/08/2022
Essential Sky	COT: To be ridden conservatively from a wide barrier; settled back. Began only fairly and from a wide barrier then was shifted behind rnr's in the early stages. Held up on the home turn and on straightening was shifted to the inside of another rnr to continue into clear running. Lost its near-face plate during running. Royal Randwick 03/09/2022
Remus	Slow to begin. Rdr reported that mnt was not suited by the slow tempo set throughout the event &, in her opinion, it would be suited on tracks with more give in them. A post-race vet exam did not rev any abs. Hawkesbury 08/09/2022

Race 3 - 12:50PM PEACHESTER LODGE SHOOT OUT MILE (1600 METRES)

Kiss the Bride	For a short distance near the 350m was held up for clear running. Between the 250m and 200m then was held up before improving outwards to secure clear running. Royal Randwick 03/09/2022
Turn On The Charm	Rdr std that the gelding was fractious in the gates and jumped very awkwardly and lost ground. He added that as a result mnt was obliged to race further back in the field than he had anticipated. Rosehill Gardens 27/08/2022
Kaapfever	Began only fairly and from a wide barrier was shifted behind rnr's in the early stages. Royal Randwick 03/09/2022
Arctic Thunder	Began awkwardly. Near the 200m lost its rightful running and had to be checked. Rosehill Gardens 27/08/2022
Grace And Harmony	Slow to begin (2L). Rdr std that due to his inside barrier mnt was forced to race closer to the rail than he would have liked as he perceived the inside going to be inferior. He added that this was the main reason for the mares disappointing performance as it failed to handle the soft (6) track conditions. A post-race vet exam revealed no abs. Rosehill Gardens 27/08/2022
Caboche	Reared as the start was affected and lost ground (4L). Rosehill Gardens 27/08/2022
Bazooka	Began awkwardly. Inclined to overrace in the early stages and near the 1600m was steadiest to avoid heels. Rdr and trainer reported that the gelding raced too keenly with blinkers. Tnr confirmed that he will remove the blinkers for the gelding's next race start. Rosehill Gardens 10/09/2022

Race 4 - 1:25PM THE AGENCY REAL ESTATE HANDICAP (1400 METRES)

Equation	For a short distance approaching the 350m was held up for clear running before shifting inwards to secure clear running. Rdr std when placed under pressure in straight the gelding raced flat & did not quicken when asked for an effort. A post-race vet exam revealed no abs. Tnr said the gelding was forced to race towards the inside, which she considered to be inferior going, & agreed it may have been flat after its first-up performance. Tnr subsequently reported satisfaction with post-race condition of gelding & advised intention to give it a short freshen up before continuing current prep. Royal Randwick 20/08/2022
Silent Impact	Rdr stated that his mnt did not travel comfortably due to the strong early pace and also failed to handle the heavy track. Added that his mnt would be better suited by being stepped up in distance where it can hold a more forward position at a more comfortable tempo. A post-race vet exam revealed the gelding to be lame (1/5) in the off-foreleg. Co-trainer was advised that a vet clearance will be required before the gelding is permitted to race/barrier trial again. Royal Randwick 03/09/2022
Supergiant Honeycreeper	Began awkwardly. Doomben 23/04/2022 Slow to begin. Inconvenienced and checked shortly after the start. Eagle Farm 04/06/2022
Arnold	COT: To be ridden conservatively; settled back. From a wide barrier was shifted behind rnr's in the early stages. Kensington 24/08/2022
Sindacato	Slow to begin and was then hampered when tightened for room. Rider reported pulled hard in the early and middle stages. Flemington 14/05/2022
Air To Air	Rdr permitted to ride 1kg over allotted weight. Slow to begin (3L). Rosehill Gardens 27/08/2022
Stray	Near the 1800 was obliged to steady away from heels. Morphettville 30/04/2022

Race 5 - 2:00PM BILL RITCHIE HANDICAP (1400 METRES)

Top Ranked	From a wide barrier was shifted behind rnr in early stages. Rdr std over concluding stages he was unable to test mnt fully due to being positioned close to heels, particularly when it was taking ground off that rnr & laying in slightly. Added on pulling up & when returning to scale, mnt appeared lame. A post-race vet exam revealed the entire to be lame (3/5) in near foreleg. Tnr reported that a subsequent vet exam rev no further abs & the intention is to continue with prep. Tnr was told a vet clearance is required before next race/trial. Royal Randwick 26/02/2022
Character	On jumping was bumped. Royal Randwick 03/09/2022
O'president	A veterinary examination of the gelding, which was fractious after being loaded into the barriers and reared, deemed it suitable to race. EMERGENCY PROCEDURES

The Australian Turf Club's aim is to provide the best facilities to ensure your safety, comfort and enjoyment. The Club has developed comprehensive procedures to deal with any unexpected emergency situation that may arise. Our staff are trained and experienced in dealing with emergencies and evacuations. They are dressed in ATC uniforms at various points throughout the racecourse. Assisting in an emergency will also be security staff and Police officers. Should an emergency situation arise, the alarm system will be heard over two stages:

- (1) Alert Alarm – **(BEEP – BEEP – BEEP SOUND)**. This will be heard on each floor to notify Emergency Wardens to stand by and prepare for possible evacuation;
- (2) Evacuation Alarm – **(WHOOOP – WHOOOP – WHOOOP SOUND)**. This notifies ALL occupants to leave via the nearest safety exit under the supervision of the Emergency Wardens and proceed to the emergency assembly point.

On hearing the alert alarm, patrons are requested to remain calm and prepare to follow instructions from the Emergency Wardens. Cloak room items will be secured for you to collect after the situation is over. Mobility impaired patrons, including hearing and sight impaired patrons, should make contact with an Emergency Warden as they may need a "buddy" to assist in the evacuation in the evacuation. On hearing the evacuation alarm, the Wardens will usher you to the Safe Assembly Area so it is essential that you follow their instructions. Unless you are instructed otherwise, the Emergency Assembly Areas are:

EMERGENCY ASSEMBLY AREA A:

The Doncaster Lawn located between the Members' Entrance (Gate C) and Racecourse Entrance (Gate D) off the Main Drive.

EMERGENCY ASSEMBLY AREA D:

Area located to the South of the Equine Centre

In the event of an emergency, please remember:

- (1) Listen carefully to the alarm tones;
- (2) Follow the directions of the Emergency Wardens;
- (3) Move quickly and quietly to the designated Safe Assembly Areas.

RESPONSIBLE SERVICE OF ALCOHOL

POLICY

The Australian Turf Club is committed to Responsible Service of Alcohol (RSA) across all our venues and endeavours to comply at all times with all the requirements of the NSW Liquor Act 2007. The Club is an active member of a number of Local Liquor Accords including the Eastern Beaches Liquor Accord and also the Rosehill and Liverpool Liquor Accords. The Australian Turf Club has adopted the following House Policy, which provides a framework for the Responsible Service of Alcohol.

Appropriate and compliant signage will be displayed at all entry points. Patrons on board "Party Buses", Limousines or Hire Cars with alcohol present will have their intoxication levels assessed by Security and risk refusal of entry to the venue. Any patron refused service by bar staff or identified by Security as approaching intoxication will be asked to leave the venue immediately as per Section 77 of the NSW Liquor Act 2007

UNDER AGE DRINKING

The Australian Turf Club recognises the following forms of identification:

- A driver's or rider's licence or permit (issued by an Australian State or Territory or any foreign country)
- Australian passport or a foreign passport issued by another country,

Patrons who appear to be aged 25 years or under may be asked for identification at any time by Security, Police or an ATC staff member. If identification is unable to, or refused to be produced that patron will be asked to leave the venue. Any minor found in close proximity to or using alcohol or gaming outlets will be asked to leave the venue. The person identified as being responsible for the minor (as per the NSW Liquor Act 2007 in relation to Responsible Adults) will also be asked to leave the venue.

ANTI-SOCIAL BEHAVIOUR

Any patron found to be disrupting the quiet enjoyment of other patrons around them by means of their actions or behaviour will be asked to leave the venue.

TRAINING AND PROMOTIONS

All staff have been informed about their obligations in relation to this policy on Responsible Service of Alcohol and have been adequately trained to support this policy. This Club seeks to publicise and promote its position on Responsible Serving Practices.

• *First run at Flemington was remarkable, tracked into it strongly and blew them away. Dug deep in the Cox Plate G1 when challenged to fight off a gallant 'Humidor' and equal the great Kingston Town with 3 Cox Plate's.*

SHOOT OUT MILE

ATC Derby winner Shoot Out sired by High Chaparral (IRE) from Pentamerous (NZ), had a successful racing career across three states. Owned by Linda and Graham Huddy, he was much mourned on his passing and is now recognised in the Shoot Out Mile held at Royal Randwick Racecourse.

Shoot Out claimed the Randwick Guineas / ATC Derby double in 2010. He retired with 10 wins that included the Chipping Norton Stakes (twice) and George Main Stakes at Group 1 level. He also won the QTC Sires' Produce Stakes and the MRC Bletchingly Stakes.

Horses that have won the race in his name include Muraaqeb, Discharged, and Kiss The Bride. It has become a good trial for the Epsum, though none have made the double.

Linda and Graham Huddy remember him with great affection: "As a racehorse he tried so hard for you. Even when he didn't win. You knew he had really tried to. And we miss him very much." – Linda Huddy, Owner

FORM SUMMARY

GRACE AND HARMONY can be forgiven for last start, when missing the kick and working mid-race. At her best she has a withering finish that can see her mow down her rivals late. KISS THE BRIDE won well at the track and trip last time out. BLAZE A TRAIL can get a soft run.

The Bill Ritchie Handicap

W. M. Ritchie
21.4.1913 – 15.12.1990

Bill Ritchie was a Sydney businessman with a lifelong passion for horse racing. An owner, a breeder and a punter, he was a fixture on Sydney racetracks.

At his beloved Bangaloe Stud on the Central Coast, he bred hundreds of winners and cultivated prominent breeding families. With champions trained by the likes of Tommy Smith, Bart Cummings, Neville Begg and Pat Murray, Ritchie's track record continues with the next generation of Cummings and Waterhouse.

Bill's priorities in life were his family, business, horses and philanthropy. He gave back to the country that afforded him so much success.

Bill is still missed by all who knew and loved him at the track. His passion for racing lives on in his daughter Julia and grandsons Bill and Patrick.

Today, The Bill and Patricia Ritchie Foundation endows a Professorial Chair in Immunology at the Garvan Institute of Medical Research. The exciting initiatives at Garvan are seeking to unlock the secrets of autoimmune illnesses. This groundbreaking work would have appealed to the visionary in Bill Ritchie.

To find out more about these exciting initiatives, please contact Mara-Jean Tilley, m.tilley@garvan.org.au.

GEORGE MAIN STAKES

The George Main Stakes first appeared as part of the spring carnival in 1945. It was established in honour of the AJC Chairman George Main, who retired as chairman in the same year.

Active on the committee since 1921, Main was influential in the formation of the Sydney Turf Club and introducing oncourse broadcasting. He had an interest in breeding and racing that continued throughout his life.

Modulation won the inaugural race with jockey Billy Cook aboard. Cook would win again in 1955 on Prince Morvi and his son Peter Cook had success in 1977 on Blockbuster. Modulation's early racing career included wins in the AJC St Leger Stakes in 1943 and the Epsom Handicap in 1944 before he took on the small field in the inaugural George Main.

Other horses to win the George Main / Epsom (also run over the Randwick mile) double include Shannon, De La Salle, Chantal, Imposing, and more recently Racing To Win, Winx, and Kolding.
