EMERGENCY PROCEDURES

The Australian Turf Club's aim is to provide the best facilities to ensure your safety, comfort and enjoyment. The Club has developed comprehensive procedures to deal with any unexpected emergency situation that may arise. Our staff are trained and experienced in dealing with emergencies and evacuations. They are dressed in ATC uniforms at various points throughout the racecourse. Assisting in an emergency will also be security staff and Police officers. Should an emergency situation arise, the alarm system will be heard over two stages:

- (1) Alert Alarm - **(BEEP - BEEP - BEEP SOUND)**. This will be heard on each floor to notify Emergency Wardens to stand by and prepare for possible evacuation;
- (2) Evacuation Alarm - **(WHOOOP - WHOOOP - WHOOOP SOUND)**. This notifies ALL occupants to leave via the nearest safety exit under the supervision of the Emergency Wardens and proceed to the emergency assembly point.

On hearing the alert alarm, patrons are requested to remain calm and prepare to follow instructions from the Emergency Wardens. Cloak room items will be secured for you to collect after the situation is over. Mobility impaired patrons, including hearing and sight impaired patrons, should make contact with an Emergency Warden as they may need a "buddy" to assist in the evacuation in the evacuation. On hearing the evacuation alarm, the Wardens will usher you to the Safe Assembly Area so it is essential that you follow their instructions. Unless you are instructed otherwise, the Emergency Assembly Areas are:

EMERGENCY ASSEMBLY AREA A:

The Doncaster Lawn located between the Members' Entrance (Gate C) and Racecourse Entrance (Gate D) off the Main Drive.

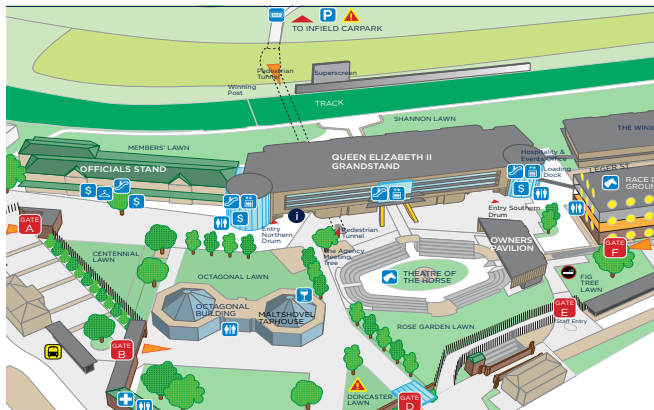

EMERGENCY ASSEMBLY AREA D:

Area located to the South of the Equine Centre

In the event of an emergency, please remember:

- (1) Listen carefully to the alarm tones;
- (2) Follow the directions of the Emergency Wardens;
- (3) Move quickly and quietly to the designated Safe Assembly Areas.

RESPONSIBLE SERVICE OF ALCOHOL

POLICY

The Australian Turf Club is committed to Responsible Service of Alcohol (RSA) across all our venues and endeavours to comply at all times with all the requirements of the NSW Liquor Act 2007. The Club is an active member of a number of Local Liquor Accords including the Eastern Beaches Liquor Accord and also the Rosehill and Liverpool Liquor Accords. The Australian Turf Club has adopted the following House Policy, which provides a framework for the Responsible Service of Alcohol.

ALCOHOL CONSUMPTION

Patrons who are intoxicated or approaching intoxication will be refused admission to our venues. Patrons who are observed drinking upon approach to one of our venues will be refused entry. Appropriate and compliant signage will be displayed at all entry points. Patrons on board "Party Buses", Limousines or Hire Cars with alcohol present will have their intoxication levels assessed by Security and risk refusal of entry to the venue. Any patron refused service by bar staff or identified by Security as approaching intoxication will be asked to leave the venue immediately as per Section 77 of the NSW Liquor Act 2007

UNDER AGE DRINKING

The Australian Turf Club recognises the following forms of identification:

- A driver's or rider's licence or permit (issued by an Australian State or Territory or any foreign country)
- Australian passport or a foreign passport issued by another country,
- NSW photo card (issued by Roads and Maritime Services NSW)
- Proof of age card issued by a public authority of the Commonwealth or of another State or Territory for the purpose of attesting to a person's identity and age
- Keypass (over-18) identity card issued by Australia Post.

Patrons who appear to be aged 25 years or under may be asked for identification at any time by Security, Police or an ATC staff member. If identification is unable to, or refused to be produced that patron will be asked to leave the venue. Any minor found in close proximity to or using alcohol or gaming outlets will be asked to leave the venue. The person identified as being responsible for the minor (as per the NSW Liquor Act 2007 in relation to Responsible Adults) will also be asked to leave the venue.

ANTI-SOCIAL BEHAVIOUR

Any patron found to be disrupting the quiet enjoyment of other patrons around them by means of their actions or behaviour will be asked to leave the venue.

TRAINING AND PROMOTIONS

All staff have been informed about their obligations in relation to this policy on Responsible Service of Alcohol and have been adequately trained to support this policy. This Club seeks to publicise and promote its position on Responsible Serving Practices.

BOOKMAKER BETTING OBLIGATIONS BRI3

- (1) At a race meeting within the metropolitan area, a bookmaker is obliged to lay the odds displayed if demanded by the backer, except that the bookmaker is not compelled to lose on any one bet more than the amount Racing NSW may determine and publish as the minimum bet list entitled "Betting limits for on-course Bookmakers to comply with BRI3", as published on its website and amended from time to time.
- (2) When the backer claims the bookmaker for a win and place bet which is greater than the limits prescribed by this rule, the bookmaker must bet the backer the proportional equivalent of an each-way wager.
- (3) At a race meeting outside the metropolitan area or at an auditorium or betting office, the committee of a club may from time to time determine the minimum wager which bookmakers must be bound to lay when betting on any part of the club's premises.
- (4) Once a race has started, a bookmaker is not compelled to accept any bet or, alternatively, is not compelled to bet the minimum limits prescribed in this rule.

- (1) Transmit in any way from the grounds of a racecourse any betting odds being offered by bookmakers on any horse that is competing at a racecourse in Australia or elsewhere.
- (2) While betting is taking place on the grounds of a racecourse, have turned on or use in any way at any of the following places on the racecourse any portable telephone, radio transmitter, radio receiver or any other appliance, apparatus, instrument or equipment that is capable of transmitting information:

CHILDREN AT THE RACECOURSE

Children are welcome at all race meetings held at Royal Randwick, Rosehill Gardens, Canterbury Park and Warwick Farm. On any weekend race meetings there is free children's entertainment available. Children in the general admission area should be under the company of a responsible adult at all times. Children entering the Members' Enclosure must be in the company of a responsible adult at all times and must be suitably attired.

There are no restricted areas within the racecourse (except for 'Members' Only Areas') however patrons under the age of 18 years of age (minors) are not permitted entry to the racecourse unless accompanied by their Legal Guardian or Loco Parentis. (Responsible adult). This can be in the form of:

- A parent, step-parent or guardian of the minor
- A person who is, for time being, in loco parentis to the minor. This person must be 25 years of age or older and be able to verify to the satisfaction of the ATC their relationship to the minor

Definition of In Loco Parentis. The term "Loco Parentis" describes a relationship similar to that of a parent to a child; specifically it refers to an individual who assumes parental status and responsibilities for another individual, usually a young person, without formally adopting that person.

Any minor found in close proximity to or using alcohol or gaming outlets will be asked to leave the venue. The person identified as being responsible for the minor (as per the NSW Liquor Act 2007 in relation to Responsible Adults) will also be asked to leave the venue. ST LEGER STAKES

Though the St Leger is one of the oldest classic races, it has had a chequered history. Initially an English race named for Anthony St Leger, an army officer and politician who lived near Doncaster where the race was first held, it was picked up in Australia as part of the tradition of introducing English races to the racing scene.

Here it had some success at Homebush in the earliest years of racing. On the establishment of Randwick Racecourse in 1961, the race was transferred to that course extended to 2800m and attracted the great stayers of the time. Winners included Yattendon (1865), Fishhook (1867), Abercorn (1888) and Wallace (1896). Into the 1900s, the race drew interest with winners such as Windbag (1925), Phar Lap (1930) and Peter Pan (1933) who would all go on to win the Melbourne Cup.

The race ceased in 1960 and was not run again until 1980 when it was won by Shogun. Other winners during these revitalised years included Beau Zam (NZ) (1988), Gold Sovereign (1994), and Tie The Knot (2000).

FORM SUMMARY

VIVY AIR drawn sticky but she's a mare in form and gets in very well at the weights.
PERFUMIST broke their hearts from the front at this track and trip last start, expect similar tactic here. Include **CHURCHILL'S CHOICE** flying under the radar and finally draws a barrier.

FORM SUMMARY

IOWNA MERC competed against Briasa when resuming and is much better suited here. ROTHFIRE has been racing at G1 level and will appreciate the steep drop in class. LIBERTAD looked good in his most recent trial and can sprint well fresh.

Settled last, impressive, far too good 3.8L Chautauqua Listed 1200m. Back and keen, held up 400-50m, unlucky 1.3L Rup Clarke G1 1400m. Horror watch last start. High quality sprinter but where he ends up from barrier three some concern.
