This award is presented in honour of Jim Houlahan OAM.

The Ironbar acknowledges the most important event in Jim's life, when as a nineteen year-old; he rushed to the aid of his father who was being gored by an Ayrshire bull. This instinctive act of courage prevented a tragedy and epitomises the values exhibited by Jim throughout an illustrious career in jumps racing.

The Iron Bar award is presented to an individual who has made a significant contribution to the Warrnambool May Racing Carnival.

Previous winners include George Taylor OAM, Mark Primmer, Marg Lucas & Gai Waterhouse.

## May Carnival 1881-2021

Call it what you will – The 'Bool, Warrnambool Week, the May Races, or just 'May' – the first week in May holds a magical appeal for turfites, especially those with a love of races over obstacles. This carnival, which was born largely out of financial necessity and in part by some greater vision, can be traced to 1881. An annual pilgrimage to the pretty seaside town was soon on in earnest. In 1890 The Standard captured something of what was already an established part of the attraction, stating, "Year after year almost the same people are met on the course. Their faces have grown familiar, and an eavesdropper, listening to their conversation, will frequently hear them relating reminiscences of hard fought finishes on the course at meetings in the long past."

For more than a quarter of a century the Annual (March) Races – first held in 1848 on the old course near the beach - was the main meeting. Those races grew steadily in stature following the move to the new course in 1858 and were bolstered by the running of first Warrnambool Cup in March 1873 and the formation of the Warrnambool Racing Club around that time. However, the quick success of the Winter Steeplechase Meeting – first held on 13 June 1872 – soon challenged the prominence of the Annual Races, which were weakened by the parlous financial state the Racing Club found itself in by the late 1870s. It carried a large debt on the new grandstand (completed in 1876 and still in use as subsequently extended), was staging two feature race meetings – the Annual Races in March and the Winter Steeplechase Meeting in June - and had a very limited membership.

Severe cuts to the stakes for the Annual Races in 1879 and 1880 and the halving of that meeting to one day in 1880 failed to fully alleviate the Racing Club's financial difficulties. Decisive action was required. The committee recommended to the annual meeting on 6 December 1880 that the club should conduct only one race meeting per year - a Steeplechase Meeting in May. James Astley Bromfield urged the annual meeting to bear in mind that the Catholics held a holiday on St. Patrick's Day and they strongly patronised the March Races and might feel aggrieved if they were done away with. Octavius Palmer, mindful the love of the Irish for jumping races, retorted that he believed the Catholics would be more in favour of a good Steeplechase Meeting.

After lengthy debate the meeting adopted the committee's recommendation that there be only one race meeting per year. Notwithstanding this, the club held races on St. Patrick's Day in 1881 and 1882 due to public demand, but they were very modest affairs.

A racing carnival with a focus on jumps racing was the real attraction, and so, in light of the proceedings at the annual meeting in December 1880, what we now know as the May Carnival began to take shape in 1881. The Steeplechase Meeting was brought forward from June to May and there were three days of racing, with the Warrnambool Amateur Turf Club racing on the middle day - a tradition that endured for approximately 80 years. Six of the ten races on the Racing Club's programme were jumping races.

The committee tempted the weather gods by returning the Steeplechase Meeting to the month of June in 1882 but had the good sense to realise that the excellent weather that year was not the norm in Warrnambool in winter. A special meeting of members on 9 September 1882 unanimously accepted the committee's recommendation that the feature meeting be held at the end of April, with a smaller meeting on Boxing Day. The Australasian welcomed this initiative: "The dates chosen by the Warrnambool Racing Club for the autumn meeting should fit in nicely, for they do not clash with any other fixture. A trip West in the back end of the season is most enjoyable, for the country at that time is generally clothed in its emerald garb ..... The chief item in the second day's bill is the Warrnambool Steeplechase ..... which should attract a good field. Those who have never seen a steeplechase at Warrnambool should avail themselves of this opportunity."

The races commenced on Wednesday 18 April 1883 and concluded on Friday 20 April, with the amateurs racing on the intervening day. The Tuesday-Wednesday-Thursday format was adopted for the first time in 1884. It has remained the norm ever since, save for 1897 when the meeting concluded on a Saturday, 1947 to 1950 when there was only two days of racing due to the amateurs not being part of the carnival immediately after World War II, and 2020 when the meeting was limited to two days due to COVID-19 restrictions.

In 1911 Warrnambool Week was postponed by one week to the first week of May in order to avoid a clash with polling on Wednesday 26 April in the referenda to give the Commonwealth government certain additional powers. For the next 18 years the meeting commenced on the first Tuesday in May. In 1929 the custom of concluding the meeting on the first Thursday in May was instituted.

The popularity of Victoria's biggest provincial race meeting was irrevocably established by as early as the late 1880s. The Standard described the attendance on the final day in 1887 as the "largest and most brilliant gathering that has ever assembled on the Warrnambool course." The following year it estimated the attendance on Grand Annual day at nearly 10,000 and in 1891 put it at 12,000. The increasing attendances were partly due to the expansion of the railway network, which by 1890 ran all the way to Warrnambool. The following year there were special race trains from Port Fairy, Hamilton, and Mortlake via Terang. On Grand Annual day in 1896 the train from Hamilton became so crowded that at Illowa potato trucks had to be pressed into service to ferry some passengers to Warrnambool. At the time the potato was one of the main products grown in the fertile soils around Warrnambool. Just prior to the carnival in 1896 the steamer Flinders left Warrnambool with 1600 bags of potatoes and 34 tons of tinned rabbit on board. But no matter how many people dined on potatoes or rabbit from the Warrnambool district, the seaside town was now known above all for its three-day racing carnival, with the big steeplechase as the piece de resistance. The carnival remains a jewel in the crown of racing in this State almost a century and a half after its genesis. This year thousands of racing devotees will make the annual pilgrimage "Back to the 'Bool".

## WHAT'S IN A NAME?

Over 163 years some names have become deeply synonymous with this racecourse, others are not quite so well known.

**Alfred Road:** Now known as Moore Street, is the first road crossing in the steeplechase course. There was a road double there until 1999 when the reconstruction of the course proper necessitated the removal of the first of the double due to the camber of the course proper. The fence was replaced with one about half way between the old stand treble and Alfred Road.

**Al Garhood:** The fence in Granter's paddock carries the name of the only horse to have won two Grand Annuals (2010, 2011) and two Brierly Steeplechases (2008, 2009).

**Brierly paddock:** When the new steeplechase course was laid out in 1872 it took in paddocks on the other side of Alfred Road – which were part of 'Brierly'. By the end of the 1880s at least 150 acres of 'Brierly' had fallen into the hands of a syndicate which was likely to seek to sell that land to the highest bidder, possibly for housing. Prior to auction the WRC purchased that part of 'Brierly' which the steeplechase course traversed.

**Buxton Bar:** The bold front-runner Buxton secured the 1963 Brierly – Grand Annual double in dashing style. Keith Bullock, a member of a famous Western District racing family, trained Buxton and raced the gelding in partnership with his wife Enid.

**Corrigan Café:** Tommy Corrigan, an Australian Racing Hall of Fame member, was born in County Meath, Ireland and grew up on a farm at Woodford, north of Warrnambool. The merry little Irishman with the distinctive handlebar moustache was as much respected for his unquestionable integrity as he was admired for his skill as a jockey. His many wins at this course included four Grand Annuals. Corrigan's death following a fall at Caulfield in August 1894 provoked a huge outpouring of grief as Melbourne came to a halt to farewell a true idol of the turf.

**Cox's Hill/Cox's Hill double:** The highest point in the steeplechase course seemingly draws on the name of a Mr Cox, who owned the paddock immediately behind Granter's paddock.

**Foxboy Bar:** Foxboy scored a stunning win in the 1997 Grand Annual Steeplechase, defeating local hero Galleywood and giving trainer John Wheeler and rider Brett Scott their first win in the Annual, to go with Foxboy's win in the Brierly two days earlier.

**Galleywood Bar:** After the local hero Galleywood cleared the last fence in the 1986 Grand Annual and charged to line race caller Bryan Martin hailed him as "Lazarus, back from the dead". Two years earlier Galleywood had crashed at the last fence and in a "Kingston Town Can't Win" moment course broadcaster Bill Collins predicted the worst as the local hero lay motionless on the track. Galleywood's other wins here include the Brierly Steeplechase in 1983 and 1986.

**Goodalls:** The first fence in the short steeplechase course is known as Goodalls, and takes its name from Goodall's farm, which at the time racing commenced on this site in 1858 was adjacent to where this fence now stands.

**Granter's paddock:** After protracted and at times very tense negotiations, in 1899 the Racing Club purchased James Granter's 15-acre paddock for £800. Together with the earlier purchase of part of 'Brierly' this secured the unique Warrnambool Steeplechase course for generations to come.

**Houlahan Treble:** James Joseph "Jim" Houlahan (1913-2007), an Australian Racing Hall of Fame member, won four Grand Annuals – a race he loved dearly – eight Brierlys, a Galleywood, and a Wangoom. His countless other wins include seven Grand National Hurdles.

**Laff's Bar:** Situated in the Woodford Lounge, this bar is named in honour of Warrnambool's greatest trainer, Kevin Joseph Lafferty (1912-1987). Lafferty's hundreds of wins include five Brierlys, three Grand Annuals, two Warrnambool Cups and a Wangoom.

**Lindsay Lounge:** William Lindsay of 'The Union', Woolsthorpe, served as a chairman of the WRC for a record 32 years, from 1902 until his death on 14 August 1934.

**Mantrap/Mantrap Bar:** The Mantrap is the first fence after the field turns left upon re-entering the racecourse reserve on the first lap in the Grand Annual. It was originally a parapet and ditch, and probably got its name because it was a very formidable obstacle. It is now jumped only in the Annual following changes to the steeplechase course around 1970 which see steeplechases finish in an anti-clockwise direction.

**Moloney Room:** Jerry Moloney was a leading trainer, based in Warrnambool, for several decades - winning two Grand Annuals, two Warrnambool Cups and three Brierlys. Jerry's son Jim, an Australian Racing Hall of Fame member, started his training career here. Jim won three Warrnambool Cups, including with Warri Symbol and Sarfraz – both ridden by Pat Hyland who shared a close personal and professional relationship with Moloney after serving his apprenticeship with him.

**Tozer Road/Tozer Road double:** Francis Tozer (1820-1905) was the most influential person in the early years of racing in Warrnambool. He was one of the founding trustees of the new racing and recreation reserve, a steward at the first Winter Steeplechase Meeting, assisted in laying out the new steeplechase course, was instrumental in the formation of the WRC and a member of its first committee, a prominent owner and breeder, and helped launch the riding career of Tommy Corrigan.

**Villiers Flat:** Villiers, a son of the legendary Panic, won the first Warrnambool Cup – in 1873. The field for the two-mile handicap included two other notable progeny of Panic; Nimblefoot, winner of the 1870 Melbourne Cup and Pandora, the dam of Redleap, the greatest Australian jumper of the nineteenth century, and perhaps of all time.

**Woodford Lounge:** The Woodford Racing Club was formed in 1900. It raced at Woodford until 1941 and commenced racing at Warrnambool in 1945 following a break due to World War II. The club continues to hold a very successful annual meeting.

**34th Jump Bar:** As golf has its 19th hole, this racecourse has the 34th Jump Bar – which draws on the fact that there are 33 fences in our famous Grand Annual Steeplechase, believed to be the most of any steeplechase in the world.

## MR GEORGE TAYLOR OAM 1930 - 2014

George Taylor OAM was a great family man, intelligent businessman, tireless community worker and one of the greatest supporters of racing the Warrnambool Racing Club has known.

George put his racing passion to good work, serving on the Warrnambool Racing Club Committee from 1974 to 1996 and as Chairman from 1983 to 1985.

Throughout his life, George Taylor raced 101 winners, amongst them some very fine gallopers. Fonda Moor won 10 races, D'Asti Cati had a remarkable record of 23 wins including the Wangoom Handicap in 1981. It was jumps racing though that provided George with his proudest racing moment. George was managing owner of Galleywood who won the 1986 Grand Annual Steeplechase, two years after famously falling and springing back to life in front of a relieved crowd at the 1984 Warrnambool May Racing Carnival.

George was awarded life membership of the Warrnambool Racing Club in 1996. In 2014 he was presented with the Iron Bar Award which recognised his outstanding contribution to racing while displaying courage and integrity. He was also more widely recognised with the Warrnambool Citizenship Award in 1993 and an Order of Australia Medal in 2008.

Allan George Taylor will be remembered fondly by the local racing community and is survived by his wife Gwyn, four children, twelve grand-children and one great grandchild.

## BRIERLY STEEPLECHASE (First run 1902)

### FASHION

With a shortened crowd-free May Races last year due to COVID-19 it has taken a year longer than expected, but today sees the staging of the twentieth ladies' lunch, an event that grew rapidly following its inception in 2001 when attended by 100 ladies. The attendance almost tripled the following year and now invariably exceeds 500. Guest speakers have included Michelle Payne, Gai Waterhouse, Trish Oliver, Anne McGrath, Claire Bird, Kevin Sheedy and Simon O'Donnell.

Fashion, which almost a century ago The Standard insightfully described as "that despot [the ladies] all so gladly obey", has long gone hand-in-hand with racing. Back in the day local newspapers gave detailed descriptions of women's racing attire, especially of those whom they considered to be part of the upper-crust of Western District society. In 1904 The Standard published this request for Grand Annual day: "Following the custom adopted by the Melbourne papers at Flemington, a box will be placed by The Standard in the Ladies' Cloak Room under the grandstand tomorrow, into which ladies are invited to place a brief description of their dresses for publication in Friday's issue. In using a visiting card, or in signing their names to a slip of paper used for the purpose, care should be taken to indicate whether the lady is "Mrs" or "Miss." The object ..... is to obtain as complete a list as possible." The local paper was subsequently able to report, for example, that Mrs Alex McKenzie wore a blue cloth costume, and white Marquise hat; Miss Whitehead sported a navy blue serge coat and skirt, and white felt hat; and Miss Slattery wore a blue hopsack Russian coat and skirt, and Napoleon hat.

The practice of newspapers publishing such descriptions has long fallen into desuetude, thus relieving those attending today's lunch of the need to favour The Standard with a note describing their outfit – let alone alluding their marital status!

### **50 YEARS AGO**

Whitby, ridden by Neville Rantall, won the first Brierly run over the altered steeplechase course, where horses turned right rather than left after jumping the Tozer Road double and raced in an anti-clockwise direction to finish at the same place as flat and hurdle races, rather than at a special finishing post. Whitby had been the first horse to school over the new course, in the lead up to the 1970 carnival. However, the new course was not used that year as stewards decided that given the sodden state of the ground it would use the old course. 1971 was a much wetter year, with the second and third days of the carnival being abandoned – meaning that the new steeplechase course was not used for the Grand Annual until 1972.

Whitby was trained by Albie Brooks at Warrnambool. Albie's father George Brooks is one of seven riders to have won the Grand Annual (Euro, 1898) and the Warrnambool Cup (Count Herbert, 1901). Albie's son John currently trains in Warrnambool, continuing a Brooks family association with racing here that extends across almost 125 years.

### **Last year**

With the restrictions introduced by Racing Victoria due to the COVID-19 pandemic, the Brierly was run on the same day as the Grand Annual for the first time. Getting Leggie, a \$1000 purchase bred to be a sprinter, gave Ballarat trainer Nick Smart a huge thrill in winning the Brierly. Smart's only complaint was that he and the owners could not celebrate the win, quipping "It's a little bit bittersweet. Can we put this on lay-by so we can go to the Whaler's [Hotel]"?
