Mounting Yard viewing area - *Restricted access by ticketing only to this area adjacent to the Mounting Yard*

Birdcage, Horse Stall and Parade Ring - *Restricted to authorised officials, trainers, jockeys and strappers only. **Access to aforementioned areas will only be granted with correct ticketing***

MAYRACINGCARNIVAL

May Carnival 1881-2021

Call it what you will – The 'Bool, Warrnambool Week, the May Races, or just 'May' – the first week in May holds a magical appeal for turfites, especially those with a love of races over obstacles. This carnival, which was born largely out of financial necessity and in part by some greater vision, can be traced to 1881. An annual pilgrimage to the pretty seaside town was soon on in earnest. In 1890 The Standard captured something of what was already an established part of the attraction, stating, "Year after year almost the same people are met on the course. Their faces have grown familiar, and an eavesdropper, listening to their conversation, will frequently hear them relating reminiscences of hard fought finishes on the course at meetings in the long past."

For more than a quarter of a century the Annual (March) Races – first held in 1848 on the old course near the beach - was the main meeting. Those races grew steadily in stature following the move to the new course in 1858 and were bolstered by the running of first Warrnambool Cup in March 1873 and the formation of the Warrnambool Racing Club around that time. However, the quick success of the Winter Steeplechase Meeting – first held on 13 June 1872 – soon challenged the prominence of the Annual Races, which were weakened by the parlous financial state the Racing Club found itself in by the late 1870s. It carried a large debt on the new grandstand (completed in 1876 and still in use as subsequently extended), was staging two feature race meetings – the Annual Races in March and the Winter Steeplechase Meeting in June - and had a very limited membership.

Severe cuts to the stakes for the Annual Races in 1879 and 1880 and the halving of that meeting to one day in 1880 failed to fully alleviate the Racing Club's financial difficulties. Decisive action was required. The committee recommended to the annual meeting on 6 December 1880 that the club should conduct only one race meeting per year - a Steeplechase Meeting in May. James Astley Bromfield urged the annual meeting to bear in mind that the Catholics held a holiday on St. Patrick's Day and they strongly patronised the March Races and might feel aggrieved if they were done away with. Octavius Palmer, mindful the love of the Irish for jumping races, retorted that he believed the Catholics would be more in favour of a good Steeplechase Meeting.

After lengthy debate the meeting adopted the committee's recommendation that there be only one race meeting per year. Notwithstanding this, the club held races on St. Patrick's Day in 1881 and 1882 due to public demand, but they were very modest affairs.

A racing carnival with a focus on jumps racing was the real attraction, and so, in light of the proceedings at the annual meeting in December 1880, what we now know as the May Carnival began to take shape in 1881. The Steeplechase Meeting was brought forward from June to May and there were three days of racing, with the Warrnambool Amateur Turf Club racing on the middle day - a tradition that endured for approximately 80 years. Six of the ten races on the Racing Club's programme were jumping races.

The committee tempted the weather gods by returning the Steeplechase Meeting to the month of June in 1882 but had the good sense to realise that the excellent weather that year was not the norm in Warrnambool in winter. A special meeting of members on 9 September 1882 unanimously accepted the committee's recommendation that the feature meeting be held at the end of April, with a smaller meeting on Boxing Day. The Australasian welcomed this initiative: "The dates chosen by the Warrnambool Racing Club for the autumn meeting should fit in nicely, for they do not clash with any other fixture. A trip West in the back end of the season is most enjoyable, for the country at that time is generally clothed in its emerald garb The chief item in the second day's bill is the Warrnambool Steeplechase which should attract a good field. Those who have never seen a steeplechase at Warrnambool should avail themselves of this opportunity."

The races commenced on Wednesday 18 April 1883 and concluded on Friday 20 April, with the amateurs racing on the intervening day. The Tuesday-Wednesday-Thursday format was adopted for the first time in 1884. It has remained the norm ever since, save for 1897 when the meeting concluded on a Saturday, 1947 to 1950 when there was only two days of racing due to the amateurs not being part of the carnival immediately after World War II, and 2020 when the meeting was limited to two days due to COVID-19 restrictions.

In 1911 Warrnambool Week was postponed by one week to the first week of May in order to avoid a clash with polling on Wednesday 26 April in the referenda to give the Commonwealth government certain additional powers. For the next 18 years the meeting commenced on the first Tuesday in May. In 1929 the custom of concluding the meeting on the first Thursday in May was instituted.

The popularity of Victoria's biggest provincial race meeting was irrevocably established by as early as the late 1880s. The Standard described the attendance on the final day in 1887 as the "largest and most brilliant gathering that has ever assembled on the Warrnambool course." The following year it estimated the attendance on Grand Annual day at nearly 10,000 and in 1891 put it at 12,000. The increasing attendances were partly due to the expansion of the railway network, which by 1890 ran all the way to Warrnambool. The following year there were special race trains from Port Fairy, Hamilton, and Mortlake via Terang. On Grand Annual day in 1896 the train from Hamilton became so crowded that at Illowa potato trucks had to be pressed into service to ferry some passengers to Warrnambool. At the time the potato was one of the main products grown in the fertile soils around Warrnambool. Just prior to the carnival in 1896 the steamer Flinders left Warrnambool with 1600 bags of potatoes and 34 tons of tinned rabbit on board. But no matter how many people dined on potatoes or rabbit from the Warrnambool district, the seaside town was now known above all for its three-day racing carnival, with the big steeplechase as the piece de resistance. The carnival remains a jewel in the crown of racing in this State almost a century and a half after its genesis. This year thousands of racing devotees will make the annual pilgrimage "Back to the 'Bool".

PATRONS ARE ADVISED THAT THERE IS A DISPLAY OF MEMORABILIA COMMEMORATING 140 YEARS OF THE MAY CARNIVAL IN THE WOODFORD LOUNGE

WHAT'S IN A NAME?

Over 163 years some names have become deeply synonymous with this racecourse, others are not quite so well known.

Alfred Road: Now known as Moore Street, is the first road crossing in the steeplechase course. There was a road double there until 1999 when the reconstruction of the course proper necessitated the removal of the first of the double due to the camber of the course proper. The fence was replaced with one about half way between the old stand treble and Alfred Road.

Al Garhood: The fence in Granter's paddock carries the name of the only horse to have won two Grand Annuals (2010, 2011) and two Brierly Steeplechases (2008, 2009).

Brierly paddock: When the new steeplechase course was laid out in 1872 it took in paddocks on the other side of Alfred Road – which were part of 'Brierly'. By the end of the 1880s at least 150 acres of 'Brierly' had fallen into the hands of a syndicate which was likely to seek to sell that land to the highest bidder, possibly for housing. Prior to auction the WRC purchased that part of 'Brierly' which the steeplechase course traversed.

Buxton Bar: The bold front-runner Buxton secured the 1963 Brierly – Grand Annual double in dashing style. Keith Bullock, a member of a famous Western District racing family, trained Buxton and raced the gelding in partnership with his wife Enid.

Corrigan Café: Tommy Corrigan, an Australian Racing Hall of Fame member, was born in County Meath, Ireland and grew up on a farm at Woodford, north of Warrnambool. The merry little Irishman with the distinctive handlebar moustache was as much respected for his unquestionable integrity as he was admired for his skill as a jockey. His many wins at this course included four Grand Annuals. Corrigan's death following a fall at Caulfield in August 1894 provoked a huge outpouring of grief as Melbourne came to a halt to farewell a true idol of the turf.

Cox's Hill/Cox's Hill double: The highest point in the steeplechase course seemingly draws on the name of a Mr Cox, who owned the paddock immediately behind Granter's paddock.

Foxboy Bar: Foxboy scored a stunning win in the 1997 Grand Annual Steeplechase, defeating local hero Galleywood and giving trainer John Wheeler and rider Brett Scott their first win in the Annual, to go with Foxboy's win in the Brierly two days earlier.

Galleywood Bar: After the local hero Galleywood cleared the last fence in the 1986 Grand Annual and charged to line race caller Bryan Martin hailed him as "Lazarus, back from the dead". Two years earlier Galleywood had crashed at the last fence and in a "Kingston Town Can't Win" moment course broadcaster Bill Collins predicted the worst as the local hero lay motionless on the track. Galleywood's other wins here include the Brierly Steeplechase in 1983 and 1986.

Goodalls: The first fence in the short steeplechase course is known as Goodalls, and takes its name from Goodall's farm, which at the time racing commenced on this site in 1858 was adjacent to where this fence now stands.

Granter's paddock: After protracted and at times very tense negotiations, in 1899 the Racing Club purchased James Granter's 15-acre paddock for £800. Together with the earlier purchase of part of 'Brierly' this secured the unique Warrnambool Steeplechase course for generations to come.

Houlahan Treble: James Joseph "Jim" Houlahan (1913-2007), an Australian Racing Hall of Fame member, won four Grand Annuals – a race he loved dearly – eight Brierlys, a Galleywood, and a Wangoom. His countless other wins include seven Grand National Hurdles.

Laff's Bar: Situated in the Woodford Lounge, this bar is named in honour of Warrnambool's greatest trainer, Kevin Joseph Lafferty (1912-1987). Lafferty's hundreds of wins include five Brierlys, three Grand Annuals, two Warrnambool Cups and a Wangoom.

Lindsay Lounge: William Lindsay of 'The Union', Woolsthorpe, served as a chairman of the WRC for a record 32 years, from 1902 until his death on 14 August 1934.

Mantrap/Mantrap Bar: The Mantrap is the first fence after the field turns left upon re-entering the racecourse reserve on the first lap in the Grand Annual. It was originally a parapet and ditch, and probably got its name because it was a very formidable obstacle. It is now jumped only in the Annual following changes to the steeplechase course around 1970 which see steeplechases finish in an anti-clockwise direction.

Moloney Room: Jerry Moloney was a leading trainer, based in Warrnambool, for several decades - winning two Grand Annuals, two Warrnambool Cups and three Brierlys. Jerry's son Jim, an Australian Racing Hall of Fame member, started his training career here. Jim won three Warrnambool Cups, including with Warri Symbol and Sarfraz – both ridden by Pat Hyland who shared a close personal and professional relationship with Moloney after serving his apprenticeship with him.

Tozer Road/Tozer Road double: Francis Tozer (1820-1905) was the most influential person in the early years of racing in Warrnambool. He was one of the founding trustees of the new racing and recreation reserve, a steward at the first Winter Steeplechase Meeting, assisted in laying out the new steeplechase course, was instrumental in the formation of the WRC and a member of its first committee, a prominent owner and breeder, and helped launch the riding career of Tommy Corrigan.

Villiers Flat: Villiers, a son of the legendary Panic, won the first Warrnambool Cup – in 1873. The field for the two-mile handicap included two other notable progeny of Panic; Nimblefoot, winner of the 1870 Melbourne Cup and Pandora, the dam of Redleap, the greatest Australian jumper of the nineteenth century, and perhaps of all time.

Woodford Lounge: The Woodford Racing Club was formed in 1900. It raced at Woodford until 1941 and commenced racing at Warrnambool in 1945 following a break due to World War II. The club continues to hold a very successful annual meeting.

34th Jump Bar: As golf has its 19th hole, this racecourse has the 34th Jump Bar – which draws on the fact that there are 33 fences in our famous Grand Annual Steeplechase, believed to be the most of any steeplechase in the world.

SUMMARY: NZ gelding COTTON EYE JOE resumes here for new stable with plenty of gear changes (importantly gelded) for his Australian debut. TINTINWIN will no doubt have plenty of support after his gutsy second at Terang. NEXT STEP BERRIMA has winners first time.

GALLEYWOOD HURDLE

(First run 1995)

Gobstopper wins the 2020 Sovereign Resort Galleywood Hurdle

150 YEARS AGO

The Warrnambool Amateur Turf Club was established in 1859, 14 years prior to the WRC, with which it merged in 1964. For many decades from 1881 it raced on the middle day of the May Carnival, then known as 'Amateur Day'. All of the WATC's races were restricted to amateur riders until 1941. After the club resumed racing following World War II it opened its races to professional riders, save for the Amateur Turf Club Plate. This year the WRC is delighted to be able to display the 1871 Amateur Turf Club Plate trophy, which is on loan to it. Mr A. Tobin's Sarsfield, ridden by Joseph Whitehead, won that renewal of the WATC's feature flat race. The plate can be viewed in the Woodford Lounge along with other memorabilia commemorating 140 years of the May Carnival.

50 YEARS AGO

The stage was set for a fantastic May Carnival in 1971. Minimum prizemoney was boosted to \$1,000. The stake for each of the feature races was increased. On the first day there were nine races for the first time ever at the carnival. However, no one thought of securing the cooperation of the weather gods. Warrnambool had nine inches of rain in the three weeks leading up to the carnival. The first day was marred by persistent rain and a bitterly cold wind. The mile and a quarter Tozer Handicap was run in a very slow two minutes and nineteen seconds.

John Stocker described the track as the heaviest track he had ever seen, and he and Frank Reys vowed they would not ride the next day. They need not have worried about that! More rain on Tuesday night forced the abandonment of Wednesday's races. Every effort was made to get the track into a fit state for racing on Thursday.

WRC committeemen, stewards, trainers and strappers worked with track staff. Jim Cerchi enlisted his stable staff to use buckets to remove surface water from the track, while he and his son, Jim junior, spread sand on the track. When the stewards inspected the track early on Thursday morning they had no alternative other than to call the races off. The first special race train returned to Melbourne after reaching Geelong and the second race train did not depart, nor did planes that were due to leave Melbourne and Adelaide. The official luncheon was held as scheduled. Flags flew at half-mast as a mark of respect for Charles Rogers, a former chairman of the WRC and a committeeman since 1948, who died on the Tuesday of the meeting.

20 YEARS AGO

Nine-year-old Tahbob gave Craig Durden one of the most memorable of his record dozen majors at Warrnambool – a quartet in the Annual, the Brierly and the Galleywood – when he won the 2001 Galleywood. Tahbob was trained for his second Galleywood win by Craig's wife, Kathryn Durden.

LAST YEAR

Gobstopper gave Eric Musgrove, for decades one of Australia's leading jumps trainers, his fourth Galleywood Hurdle victory, to go with two Annuals and five Brierlys. Musgrove heads the list of carnival winners among current trainers with 30. Next on that list are Symon Wilde (23, including 9 in partnership with his father Bill – who had previously won 8 in his own name), Matthew Williams (23), and Ciaron Maher (22, including 6 in partnership with Dave Eustace). Gobstopper's win was a triumph for young Irish jockey Ronan Short as it was only his second win over jumps.

Mark McNamara: April 2021

Mark's book, "The 'Bool – The history of racing in Warrnambool from 1848", is available to purchase at the merchandise tent.

(First run 1880)

Order of Command wins the 2020
Midfield Group Wangoom Handicap

100 years ago

Australian Hall of Fame trainer James Scobie – winner of four Melbourne Cups – rode extensively over jumps in the Western District around the 1870s, including in the race now known as the Grand Annual Steeplechase. Scobie won his second Wangoom in 1921 with the three-year-old Antarctic which had finished third in the race the previous year – his first winner was St. Louis in 1888. Scobie retained a soft spot in his heart for Warrnambool and was at the May Carnival as late as 1932 renewing old friendships.

80 years ago

Wynfred, by Manfred out of Wynette - both of which were Caulfield Cup winners - gave the veteran Warrnambool trainer Fred Heazlewood his first win in the Wangoom; and made him one of very few trainers to have won four of the feature races at the May Carnival: Grand Annual (1917), Cup (1920), Brierly (1914, 1917, 1926), and Wangoom (1941) In the 1939 Wangoom, Wynfred had finished second to Stoic, which the following year won the Newmarket Handicap, and in 1940 he was left at the start and took no part in the race. By 1941 the mare was raced by Warrnambool publican Bill Gleeson. As World War II escalated, the 1941 carnival saw the staging of the last race meeting at Warrnambool for more than two and half years, while the carnival did not resume until 1947.

40 years ago

John Lumsden trained with great success at Warrnambool for several decades. In addition to his two Brierly wins with Russell, Lumsden trained three Wangoom winners: D'Asti Cati (1981) and Night of Oscar (1986, 1987). D'Asti Cati was Lumsden's first runner in the race.

His owners included popular long serving WRC committeeman George Taylor. Local hoop Andrew Kermond rode Lumsden's three Wangoom winners, with D'Asti Cati being his first ride in the race. Kermond learned his craft while apprenticed to Kevin Lafferty and was a prolific winner of races in and beyond the Western District.

10 years ago

Matthew Williams grew up in Wangoom and first fell in love with horses when as a six-year-old he saw ponies on the St Kilda foreshore during a trip to Melbourne with his mother, Margaret. The following day his uncle took him for a ride on one of the ponies. Williams soon became a regular at local pony club events. He has based his training headquarters at Wangoom. Appropriately, the Wangoom is the one Warrnambool major that Williams has won to date. Uxorious, who was third emergency, gained a start in the 2011 renewal after several horses were scratched, and was backed into \$5.50 favouritism.

Last Year

Danny O'Brien has been a somewhat infrequent visitor to the May Carnival and to this racecourse. However, his winner of the 2019 Melbourne Cup - Vow And Declare - won his maiden here in October 2018. O'Brien set Order of Command for the Wangoom but was worried he might have to set a weight carrying record to win the Wangoom with 62kg. O'Brien need not have worried. The champion sprinter-miler Waranton holds that record with 11.12 (75kg) in 1926, bettering triple-winner Battleplane's achievement when scoring his third win in the race in 1922 with 11.1 (70.5kg). Order of Command does however hold the metric record, bettering Second Effort's 58.5kg in 2013.

Order of Command was assisted by a wonderful ride from Damien Oliver, who completed the double of Warrnambool flat majors, 19 years after he won the Warrnambool Cup on Samosiera.

SUMMARY: SOVEREIGN GOLD was ultra impressive winning on debut at Terang. She is facing a rise in class, but looks up to the task. Stablemates CRANC and SIR DAVY are lightly raced and have plenty of upside. THRILL KILL and ORNAMENTAL LADY will appreciate the drop back in class.
