## *The Ironbar*

This award is presented in honour of Jim Houlahan OAM.

The Ironbar acknowledges the most important event in Jim's life, when as a nineteen year-old; he rushed to the aid of his father who was being gored by an Ayrshire bull. This instinctive act of courage prevented a tragedy and epitomises the values exhibited by Jim throughout an illustrious career in jumps racing.

The Iron Bar award is presented to an individual who has made a significant contribution to the Warrnambool May Racing Carnival.

Previous winners include George Taylor OAM, Mark Primmer, Marg Lucas & Gai Waterhouse.

## May Carnival 1881-2021

Call it what you will – The 'Bool, Warrnambool Week, the May Races, or just 'May' – the first week in May holds a magical appeal for turfites, especially those with a love of races over obstacles. This carnival, which was born largely out of financial necessity and in part by some greater vision, can be traced to 1881. An annual pilgrimage to the pretty seaside town was soon on in earnest. In 1890 The Standard captured something of what was already an established part of the attraction, stating, "Year after year almost the same people are met on the course. Their faces have grown familiar, and an eavesdropper, listening to their conversation, will frequently hear them relating reminiscences of hard fought finishes on the course at meetings in the long past."

For more than a quarter of a century the Annual (March) Races – first held in 1848 on the old course near the beach - was the main meeting. Those races grew steadily in stature following the move to the new course in 1858 and were bolstered by the running of first Warrnambool Cup in March 1873 and the formation of the Warrnambool Racing Club around that time. However, the quick success of the Winter Steeplechase Meeting – first held on 13 June 1872 – soon challenged the prominence of the Annual Races, which were weakened by the parlous financial state the Racing Club found itself in by the late 1870s. It carried a large debt on the new grandstand (completed in 1876 and still in use as subsequently extended), was staging two feature race meetings – the Annual Races in March and the Winter Steeplechase Meeting in June - and had a very limited membership.

Severe cuts to the stakes for the Annual Races in 1879 and 1880 and the halving of that meeting to one day in 1880 failed to fully alleviate the Racing Club's financial difficulties. Decisive action was required. The committee recommended to the annual meeting on 6 December 1880 that the club should conduct only one race meeting per year - a Steeplechase Meeting in May. James Astley Bromfield urged the annual meeting to bear in mind that the Catholics held a holiday on St. Patrick's Day and they strongly patronised the March Races and might feel aggrieved if they were done away with. Octavius Palmer, mindful the love of the Irish for jumping races, retorted that he believed the Catholics would be more in favour of a good Steeplechase Meeting.

After lengthy debate the meeting adopted the committee's recommendation that there be only one race meeting per year. Notwithstanding this, the club held races on St. Patrick's Day in 1881 and 1882 due to public demand, but they were very modest affairs.

A racing carnival with a focus on jumps racing was the real attraction, and so, in light of the proceedings at the annual meeting in December 1880, what we now know as the May Carnival began to take shape in 1881. The Steeplechase Meeting was brought forward from June to May and there were three days of racing, with the Warrnambool Amateur Turf Club racing on the middle day - a tradition that endured for approximately 80 years. Six of the ten races on the Racing Club's programme were jumping races.

The committee tempted the weather gods by returning the Steeplechase Meeting to the month of June in 1882 but had the good sense to realise that the excellent weather that year was not the norm in Warrnambool in winter. A special meeting of members on 9 September 1882 unanimously accepted the committee's recommendation that the feature meeting be held at the end of April, with a smaller meeting on Boxing Day. The Australasian welcomed this initiative: "The dates chosen by the Warrnambool Racing Club for the autumn meeting should fit in nicely, for they do not clash with any other fixture. A trip West in the back end of the season is most enjoyable, for the country at that time is generally clothed in its emerald garb ..... The chief item in the second day's bill is the Warrnambool Steeplechase ..... which should attract a good field. Those who have never seen a steeplechase at Warrnambool should avail themselves of this opportunity."

The races commenced on Wednesday 18 April 1883 and concluded on Friday 20 April, with the amateurs racing on the intervening day. The Tuesday-Wednesday-Thursday format was adopted for the first time in 1884. It has remained the norm ever since, save for 1897 when the meeting concluded on a Saturday, 1947 to 1950 when there was only two days of racing due to the amateurs not being part of the carnival immediately after World War II, and 2020 when the meeting was limited to two days due to COVID-19 restrictions.

In 1911 Warrnambool Week was postponed by one week to the first week of May in order to avoid a clash with polling on Wednesday 26 April in the referenda to give the Commonwealth government certain additional powers. For the next 18 years the meeting commenced on the first Tuesday in May. In 1929 the custom of concluding the meeting on the first Thursday in May was instituted.

The popularity of Victoria's biggest provincial race meeting was irrevocably established by as early as the late 1880s. The Standard described the attendance on the final day in 1887 as the "largest and most brilliant gathering that has ever assembled on the Warrnambool course." The following year it estimated the attendance on Grand Annual day at nearly 10,000 and in 1891 put it at 12,000. The increasing attendances were partly due to the expansion of the railway network, which by 1890 ran all the way to Warrnambool. The following year there were special race trains from Port Fairy, Hamilton, and Mortlake via Terang. On Grand Annual day in 1896 the train from Hamilton became so crowded that at Illowa potato trucks had to be pressed into service to ferry some passengers to Warrnambool. At the time the potato was one of the main products grown in the fertile soils around Warrnambool. Just prior to the carnival in 1896 the steamer Flinders left Warrnambool with 1600 bags of potatoes and 34 tons of tinned rabbit on board. But no matter how many people dined on potatoes or rabbit from the Warrnambool district, the seaside town was now known above all for its three-day racing carnival, with the big steeplechase as the piece de resistance. The carnival remains a jewel in the crown of racing in this State almost a century and a half after its genesis. This year thousands of racing devotees will make the annual pilgrimage "Back to the 'Bool".

## WHAT'S IN A NAME?

Over 163 years some names have become deeply synonymous with this racecourse, others are not quite so well known.

**Alfred Road:** Now known as Moore Street, is the first road crossing in the steeplechase course. There was a road double there until 1999 when the reconstruction of the course proper necessitated the removal of the first of the double due to the camber of the course proper. The fence was replaced with one about half way between the old stand treble and Alfred Road.

**Al Garhood:** The fence in Granter's paddock carries the name of the only horse to have won two Grand Annuals (2010, 2011) and two Brierly Steeplechases (2008, 2009).

**Brierly paddock:** When the new steeplechase course was laid out in 1872 it took in paddocks on the other side of Alfred Road – which were part of 'Brierly'. By the end of the 1880s at least 150 acres of 'Brierly' had fallen into the hands of a syndicate which was likely to seek to sell that land to the highest bidder, possibly for housing. Prior to auction the WRC purchased that part of 'Brierly' which the steeplechase course traversed.

**Buxton Bar:** The bold front-runner Buxton secured the 1963 Brierly – Grand Annual double in dashing style. Keith Bullock, a member of a famous Western District racing family, trained Buxton and raced the gelding in partnership with his wife Enid.

**Corrigan Café:** Tommy Corrigan, an Australian Racing Hall of Fame member, was born in County Meath, Ireland and grew up on a farm at Woodford, north of Warrnambool. The merry little Irishman with the distinctive handlebar moustache was as much respected for his unquestionable integrity as he was admired for his skill as a jockey. His many wins at this course included four Grand Annuals. Corrigan's death following a fall at Caulfield in August 1894 provoked a huge outpouring of grief as Melbourne came to a halt to farewell a true idol of the turf.

**Cox's Hill/Cox's Hill double:** The highest point in the steeplechase course seemingly draws on the name of a Mr Cox, who owned the paddock immediately behind Granter's paddock.

**Foxboy Bar:** Foxboy scored a stunning win in the 1997 Grand Annual Steeplechase, defeating local hero Galleywood and giving trainer John Wheeler and rider Brett Scott their first win in the Annual, to go with Foxboy's win in the Brierly two days earlier.

**Galleywood Bar:** After the local hero Galleywood cleared the last fence in the 1986 Grand Annual and charged to line race caller Bryan Martin hailed him as "Lazarus, back from the dead". Two years earlier Galleywood had crashed at the last fence and in a "Kingston Town Can't Win" moment course broadcaster Bill Collins predicted the worst as the local hero lay motionless on the track. Galleywood's other wins here include the Brierly Steeplechase in 1983 and 1986.

**Goodalls:** The first fence in the short steeplechase course is known as Goodalls, and takes its name from Goodall's farm, which at the time racing commenced on this site in 1858 was adjacent to where this fence now stands.

**Granter's paddock:** After protracted and at times very tense negotiations, in 1899 the Racing Club purchased James Granter's 15-acre paddock for £800. Together with the earlier purchase of part of 'Brierly' this secured the unique Warrnambool Steeplechase course for generations to come.

**Houlahan Treble:** James Joseph "Jim" Houlahan (1913-2007), an Australian Racing Hall of Fame member, won four Grand Annuals – a race he loved dearly – eight Brierlys, a Galleywood, and a Wangoom. His countless other wins include seven Grand National Hurdles.

**Laff's Bar:** Situated in the Woodford Lounge, this bar is named in honour of Warrnambool's greatest trainer, Kevin Joseph Lafferty (1912-1987). Lafferty's hundreds of wins include five Brierlys, three Grand Annuals, two Warrnambool Cups and a Wangoom.

**Lindsay Lounge:** William Lindsay of 'The Union', Woolsthorpe, served as a chairman of the WRC for a record 32 years, from 1902 until his death on 14 August 1934.

**Mantrap/Mantrap Bar:** The Mantrap is the first fence after the field turns left upon re-entering the racecourse reserve on the first lap in the Grand Annual. It was originally a parapet and ditch, and probably got its name because it was a very formidable obstacle. It is now jumped only in the Annual following changes to the steeplechase course around 1970 which see steeplechases finish in an anti-clockwise direction.

**Moloney Room:** Jerry Moloney was a leading trainer, based in Warrnambool, for several decades - winning two Grand Annuals, two Warrnambool Cups and three Brierlys. Jerry's son Jim, an Australian Racing Hall of Fame member, started his training career here. Jim won three Warrnambool Cups, including with Warri Symbol and Sarfraz – both ridden by Pat Hyland who shared a close personal and professional relationship with Moloney after serving his apprenticeship with him.

**Tozer Road/Tozer Road double:** Francis Tozer (1820-1905) was the most influential person in the early years of racing in Warrnambool. He was one of the founding trustees of the new racing and recreation reserve, a steward at the first Winter Steeplechase Meeting, assisted in laying out the new steeplechase course, was instrumental in the formation of the WRC and a member of its first committee, a prominent owner and breeder, and helped launch the riding career of Tommy Corrigan.

**Villiers Flat:** Villiers, a son of the legendary Panic, won the first Warrnambool Cup – in 1873. The field for the two-mile handicap included two other notable progeny of Panic; Nimblefoot, winner of the 1870 Melbourne Cup and Pandora, the dam of Redleap, the greatest Australian jumper of the nineteenth century, and perhaps of all time.

**Woodford Lounge:** The Woodford Racing Club was formed in 1900. It raced at Woodford until 1941 and commenced racing at Warrnambool in 1945 following a break due to World War II. The club continues to hold a very successful annual meeting.

**34th Jump Bar:** As golf has its 19th hole, this racecourse has the 34th Jump Bar – which draws on the fact that there are 33 fences in our famous Grand Annual Steeplechase, believed to be the most of any steeplechase in the world.

SUMMARY: OCULAR wasn't suited to the tight Cranbourne track over the short 1000m, he will relish the bigger Warrnambool straight up to 1100m. CAPRICCIO is a talented filly that found a strong race at Caulfield last start. Watch the betting moves for ex-WA mare DOUBLE BUBBLE.

## GRAND ANNUAL STEEPLECHASE

(First run 1872 - named Grand Annual from 1895)

### 140 years ago

Mick Moran's little mare Gazelle carried only 8.10 (55.5 kg) in the 1881 Warrnambool Grand National Steeplechase, while the favourite, Twilight, was burdened with 11.12. The race was a match between the two daughters of Panic for most of the way, but Gazelle's 20kg weight advantage was particularly beneficial in the deep-ploughed parts of the steeplechase paddocks. Twilight got close to Gazelle in the closing stages but ran around the second last fence, allowing Gazelle to canter in by 20 lengths, from Twilight who jumped the penultimate fence at the second time of asking. Gazelle's weight will always be the lightest carried to victory in Warrnambool's feature race.

### 100 years ago

Cotswold's third placing in the 1921 Brierly was considered to be a good trial for the Grand Annual. However, the optimism of his connections was severely dented when on race morning he got the best of the boy who was exercising him and bolted five miles before being pulled up. It mattered little. Bert Spain let Cotswold roll along in the Annual and he led by 50 lengths going up the hill in Brierly. That lead had been cut to 10 lengths passing the stand the second time, but he went on to win by 50 lengths. The following month Cotswold travelled to Sydney to contest the AJC Steeplechase, a new race over three miles that the AJC had introduced along with the AJC Hurdle in an effort to reinvigorate jumps racing in New South Wales. Cotswold won the two steeplechases at the AJC Winter Meeting in his typical bold front-running style. He returned to Warrnambool in 1923 and won the Brierly but was pulled up shortly before the winning post in the Grand Annual.

### **40 years ago**

Thackeray was seeking to become the first horse to win three Grand Annuals. He came close but was thwarted by a gun steeplechaser and an old mate who did complete a hat-trick of Grand Annual wins. Butch Londregan lost the ride on Thackeray after Tasmanian Racing Club stewards disqualified him for four years on 30 January 1981 following an inquiry into the running of the Wrest Point Casino Hurdle at Elwick the previous February. Londregan's disqualification was overturned and he then picked up the ride on Kaimoto in the 1981 Annual. The leggy gelding wanted to go left rather than right after jumping the Tozer Road double the second time and surrendered his lead of about 20 lengths. In vigorously steering the gelding to the right Londregan pulled the bit through the horse's mouth, leaving him with only leather to steer for the rest of the race. Kaimoto (9-4) joined Coolgardie on the turn and held off a gallant Thackeray (7-4 favourite) to win by three lengths. Kaimoto took all before him in 1981, winning seven races in succession on the flat and over jumps, including the VRC Grand National Steeplechase.

### **Last Year**

Just when we could not be there it would have to shape as one of the truly great Annuals, with the new kid on the block Ablaze – the reigning Jericho Cup champion and unbeaten in three jumps starts – taking on the established champions Zed Em and Gold Medals. Ablaze made a mockery of doubters who considered that only three career jumps starts surely meant he was not sufficiently seasoned for Australia's ultimate staying and jumping test. Ciaran Maher savoured his fifth Annual win – equaling John Wheeler's record – while jockey Shane Jackson finally won the race he most wanted to win. Maher commented on the strangeness of a crowd-free Annual and added that normally "mum would be sitting up there in the stands doing 15 laps of the rosary beads."

MAY RACING CARNIVAL

## WARRNAMBOOL CUP (First run 1873)

### 130 YEARS AGO

Francis Tozer bred Lottie (Lottery-Little Lady, by Panic) and she was his favourite horse. Lottie and her mother sometimes enjoyed a day at the races together, including when Lottie ran third in the 1887 Wangoom Handicap and Little Lady finished second in the Handicap Hurdle Race. Lottie followed her mother's footsteps into hurdle racing, winning a weak renewal of the Maiden Hurdle on VRC Grand National day in 1887 at her jumping debut. Lottie went on to win better races, with ever increasing weights. The handicapper burdened Lottie with 13.7 (85.7 kg) in the Hurdle Race on the first day of the 1891 carnival. She scored a courageous win, with the equal heaviest weight ever carried to victory in a professional race at Warrnambool. In an era when handicappers were far from lenient on the best horses, the mare was given 14.9 (93 kg) in the Hurdle Race on Grand Annual day, providing Tozer with an opportunity for some sport with an old friend. When he saw Lottie's weight Tozer approached James Jellie and offered him the honour of a ride on the mare. Jellie, who was considerably heavier than when he rode at the old Jetty Flat course against Tozer several decades earlier, apologised that unfortunately he did not have his riding outfit with him. Tozer confessed to Jellie that as he could not get a rider near the weight and was not going to ask the mare to carry three or four stone dead weight, he would have to scratch her. Tozer had a fallback plan. Lottie (4-6 favourite) carried 9.11 (62 kg) to victory in the Railway Stakes (Warrnambool Cup) and received one of the loudest ovations ever heard on this course. Lottie's trainer Alf Williams rode the mare in these two remarkable wins.

## **100 YEARS AGO**

In 1921 Purser won the Tozer Welter-Warrnambool Cup double. William "Bill" Duncan, who also won the Cup in 1927 on Altergo, rode Purser to these wins. Duncan won eleven Melbourne jockey's premierships, a record it took Roy Higgins to better, and was inducted into the Australian Racing Hall of Fame in 2003. In 1924 Purser became the first, and still the only, Warrnambool Cup winner to win the Caulfield Cup. His win, after being backed from 50-1 to 15-1 on the day of the race, remains one of the most sensational in Caulfield Cup history. Purser's owners, trainer Cecil Godby, and jockey (in the Coongy Handicap) Hughie Cairns were disqualified for 12 months on the basis that Purser was not allowed to do his best in the Coongy Handicap a few days before the Cup.

## **Last year**

This racecourse has very rarely had a connection with British royalty. It did on Tuesday 8 November 1977 when the heir to the throne Prince Charles attended races here on the day the new members grandstand was officially opened. Last year the connection was much more tenuous. A telephone discussion between Queen Elizabeth II and Prime Minister Scott Morrison provided an omen tip for the Warrnambool Cup, which was less than 24 hours way. Her Majesty was very pleased that racing was continuing in (mainland) Australia during the COVID-19 pandemic – it having been suspended in England in March. The Warrnambool Cup favourite Too Close The Sun was by Carlton House, which Her Majesty had raced. The win completed a winning treble for Lindsey Smith in his first carnival as a local trainer.

SUMMARY: HARD 'N' TOUGH was an emphatic winner of the Stawell Cup last start. She likes to bowl along in front and will be hard to run down. WENTWOOD drops in weight and can make it back to back wins. HOME BY MIDNIGHT and SOUTH PACIFIC both should be ready to fire third up.

**SUMMARY:** *YARRA BOY* relished the heavy going on debut at Ballarat two starts ago. He has shown to have plenty of ability, only needs luck from the wide barrier. O'REILLY MCLUKE and SILKSTREAM boast decent records at this track. LIBERTUS gets the winners on for the first time.
