

SPRING RACING AT AVOCA

IT'S GOT IT ALL.

IT'S ALL 'APPENING AT AVOCA THIS WEEK

If you haven't already heard, we are so thrilled to see our FREE Avoca Races app live in app stores and we'd love OWNERS to be among the first to try it.

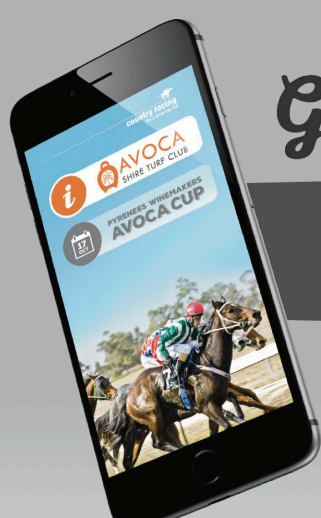

One of the first regional racing clubs around Australia to launch a race day app, it has all the information racegoers will need leading up to our race days and on the day itself.

The app covers off general Club information including the Club's history, FAQs, membership, contact details, racecourse map, function centre hire, destination information about the Pyrenees region along with what FACILITIES we have for OWNERS.

The Pyrenees Winemakers Avoca Cup event tab includes information about the raceday including transport options, links to engage with our social media platforms, details on other events such as the HF Richardson Calcutta, camping at the racecourse and Fashions on the Field plus it will be updated throughout the day with race results and other alerts.

We'd love your feedback on how we can make the app work for OWNERS and so have a competition running to win a marquee and tickets to the 2016 Avoca Cup which you can enter when you download the app.

To download the free app search for Avoca Races in Google Play or the App Store.
