WELCOME TO OUR NEXT EDITION OF

TURF CLUB NEWS

Well.... what a Carnival

The expectations of racing and social enthusiasts were surely met with a vast array of action both on and off the track during this years XXXXGOLD Cup Carnival, and congratulations to Trainer; Mick Whittle, Jockey Dom Tourneur and connections of Granzig who took out this years prestigious \$100,000 XXXXGOLD Cup.

As we move forward through the forthcoming racing season, I would like to recognise Members, Sponsors and patrons for their continual support and look forward in reciprocating in a variety of ways. As you may be aware the Club has introduced free entry that includes a racebook every Sunday and have now complimented this with a FREE Suasage Sizzle and so what better way could there be to spend a lazy Sunday afternoon than at Pioneer Park.

Additionally for Members, a reminder that as Club members you have reciprocal rights of entry to Traeger Park- Grandstand Members area for every game played by the AFL Central Australia this season, including finals- **next NT Thunder game is Saturday 21st July** just present your ASTC Members ticket at the gates- see you there!

Reciprocal rights with the Victoria Racing Club (VRC) means that ASTC members have the opportunity to pre purchase tickets for their Spring Carnival and these forms are now available from the raceday office at the Turf Club

For sponsors I look forward to entertaining you and guests at the monthly Sponsor luncheons and taking you on some "behind the scenes" look at the many facets of how a raceday comes together, from photo finishes to barrier starts and much, much more!

In respect to Club news we will renovate the track during the week 18th June and be ready to race for the Clubs 35th anniversary meeting on July 8th. Analogue televisions in the Guineas and Members Bar have now been replaced in preparation for SKY's switch to digital with additional screens installed for betting odds display in the centre of the Members lounge-room. Maintenance staff have also removed an old coolroom behind the Guineas Bar which we tend to replace with a modern kitchen, to improve the food quality and choice, during which time the guineas Bar will be closed- apologies for any inconvenience. There is a lot more your Committee is working on so to enhance Club facilities and I look forward to keeping you informed as these come to fruition.

Remember the Club will be celebrating its 35th year of racing at Pioneer Park and we look forward to you celebrating with us on Sunday 8th July.

Kind Regards,
Terry Hooton
Chief Executive Officer
