HORSE MOVEMENT POLICY

The Sale Turf Club maintains an On-Course Horse Movement Policy to ensure that the Club meets the Occupational Health & Safety and Risk Management responsibilities in relation to horse movement areas on course and in the best interests of the well being of all our visitors.

The policy details all horse movement areas and identifies the limited access to the Mounting Yard, Horse Stalls and Parade Ring areas.

1. Mounting Yard – This is the area where horses are paraded prior to a race and where jockeys mount and dismount their rides. Access to this area is restricted to officials, other authorised personnel, trainers, jockeys and strappers.
2. Mounting Yard Viewing Area – Access is restricted to the owners of horses engaged in a race. Owners who have been issued a ticket by a Club representative may observe their horse from here but may not enter the Mounting Yard.
3. Horse Stalls and Parade Rings – The Club is concerned to ensure the safety of the public and so restricts access to this area to officials, other authorised personnel, trainers, jockeys, and strappers. Owners who have been issued with a ticket may enter the area but must remain behind the protective barriers.

The Club will not be responsible for any injury incurred in these areas – all people whether designated above or otherwise enter these areas at their own risk.

Your understanding and compliance would be appreciated.
