Lodge Stable Return for Horse Already In Your Stable

Allows you to Lodge a Stable Return for any Horse in your Stable

Step	Action
1	Click on **Stable Assist** from the main navigation panel then click **Horses Trained**
2	A list of all horses trained will appear to view
3	Locate the correct horse and click on the link under **Stable Return Status**
4	Click on **Lodge New Stable Return Request**
5	You will be prompted to read the pop up disclaimer. Click on **OK** to proceed.
6	Edit Stable Return details where necessary then click on **Lodge Stable Return Request** to save changes. The Stable Return will be sent for formatting to the Racing Australia Service Centre. When complete you will receive a confirmation email.

HELP

For Guidelines on entering Horse Ownership Details and Racing Colours, Please see page 13 of this guide.
